

SpeakEdge Design & Development Roadmap

Stage 1 – Core Platform (MVP Launch)

Priority: Highest

Objective: Launch the complete SpeakEdge ecosystem with all essential business operations.

1. Public SpeakEdge Website

- **Homepage (15 Sections)**
- **About SpeakEdge**
- **Membership**
- **Book Purchase**
- **Subscription Plans**
- **Speaking Community**
- **Free Demo**
- **Partner**
- **Teacher**
- **Contact**
- **Login/Register**
- **FAQs**
- **Terms & Conditions**
- **Privacy Policy**

2. Free Demo & Lead Management System

- **Demo Registration**
- **Demo Confirmation**

- **Lead Management**
 - **Lead Status Tracking**
 - **Feedback Collection**
 - **Admission Conversion Tracking**
-

3. Book Purchase System

- **Buy Book Page**
 - **Office Collection**
 - **Home Delivery (Speed Post)**
 - **Delivery Charge Management**
 - **Order Management**
 - **Order Confirmation**
-

4. Partner System

- **Public Partner Page**
 - **Partner Application**
 - **Partner Approval Workflow**
 - **Partner Dashboard**
 - **Lead Management**
 - **Sales & Admission Reporting**
 - **Franchisee Microsite System**
 - **Public Partner Directory**
-

5. Teacher System

- **Teachership Application**
 - **Certified Teacher Directory**
 - **Teacher Dashboard**
 - **Batch Management**
 - **Attendance Submission**
 - **Teacher Reviews**
 - **Earnings & Remuneration**
 - **Teacher Notifications**
-

6. Book Delivery & Activation Code System

- **Bulk Activation Code Generation**
 - **Single-Use Activation Codes**
 - **Student ID Generation**
 - **Activation Status Management**
 - **Code Tracking & Logs**
 - **Search & Export System**
-

7. Membership Activation System

- **Student Registration Form**
 - **Activation Code Verification**
 - **Profile Creation**
 - **Community Profile Creation**
 - **Dashboard Creation**
 - **Document Upload**
-

- **72-Hour Verification Workflow**
 - **Centralized Archive & Restore System**
-

8. Complete Admin Panel System

- **Dashboard Overview**
 - **User Management**
 - **Membership Management**
 - **Partner Management**
 - **Teacher Management**
 - **Activation Management**
 - **Community Management**
 - **Payment Management**
 - **Content Management**
 - **Notification Management**
 - **Exam Management**
 - **Reports & Analytics**
 - **Role & Permission System**
 - **Archive & Restore System**
 - **Activity Logs**
-

9. Student Dashboard System

- **Profile Management**
 - **Membership Information**
 - **Subscription Information**
-

- **Videos & Downloads**
 - **Community Access**
 - **Exam Booking**
 - **Certificates & Reports**
 - **Payment History**
 - **Teacher Reviews**
 - **Exclusive Offers**
 - **Settings & Notifications**
-

10. Subscription & Razorpay Payment System

- **Subscription Purchase**
 - **Razorpay Integration**
 - **Automatic Payment Verification**
 - **Manual Payment Approval**
 - **Invoice Generation**
 - **Payment History**
 - **Failed Payment Handling**
 - **Refund Management**
 - **GST-Ready Architecture**
-

11. Orientation Slot Booking System

- **Slot Booking**
 - **Rescheduling**
 - **Attendance Tracking**
-

- **Completion Status**
 - **Orientation History**
 - **Reminder System**
 - **Orientation Video Access**
-

12. Video Preservation System

- **YouTube Embedded Videos**
 - **Website Uploaded Videos**
 - **Video Categories**
 - **Video Access Control**
 - **Watch History**
 - **Admin Video Management**
-

13. Notification & Notice System

- **Dashboard Notifications**
 - **Announcement Banners**
 - **Promotional Notices**
 - **Email Notifications**
 - **Scheduled Notifications**
 - **Read/Unread Status**
 - **Notification History**
-

14. Analytics & Reports System

- **Sales Reports**
-

- **Lead Reports**
 - **Membership Reports**
 - **Payment Reports**
 - **Community Reports**
 - **Teacher Reports**
 - **Partner Reports**
 - **Demo Conversion Reports**
 - **Excel / CSV / PDF Export**
-

15. PWA & Mobile App Preparation

- **Installable PWA**
 - **Persistent Login**
 - **Splash Screen**
 - **Android Install Prompt**
 - **iPhone Installation Guide**
 - **Offline Support**
 - **REST API Architecture for Flutter App**
 - **App-Like Experience**
-

Stage 2 – Community & Learning Ecosystem

Priority: High

Objective: Transform SpeakEdge into a lifelong English communication ecosystem.

1. SpeakEdge Speaking Community (SSC)

- **Homepage Community Section**
-

- **Public Speaking Community Page**
 - **Member Community Dashboard**
 - **Public Member Directory**
 - **Speaking Partner System**
 - **Friend Request System**
 - **Search & Filters**
-

2. Speaking Team System

- **Create Team**
 - **Join Team**
 - **Exit Team**
 - **Team Invitations**
 - **Team Management**
 - **Team Complaints**
-

3. Community Safety System

- **Yellow Card**
 - **Deep Yellow Card**
 - **Red Card**
 - **Community Suspension**
 - **Permanent Community Termination**
 - **Report & Block System**
-

4. Student Grievance System

- **Raise Ticket**
 - **Ticket Status**
 - **Admin Response**
 - **Ticket History**
-

5. Teacher Review System

- **Automatic Review Requests**
 - **Teacher Ratings**
 - **Student Feedback**
 - **Review Reports**
 - **Skip Option**
-

6. Terms & Safety Agreement System

- **Community Rules Agreement**
 - **Terms & Conditions Acceptance**
 - **Safety Policy Acceptance**
 - **Non-Refund Agreement**
 - **SpeakEdge Process Agreement**
-

Stage 3 – Assessment & Certification Ecosystem

Priority: Medium

Objective: Build credibility, assessment, and certification infrastructure.

1. Exam Booking System

- **CEFR Test Booking**
-

- **Speaking Test Booking**
 - **Slot Management**
 - **Examiner Assignment**
-

2. Examiner Dashboard & Result System

- **Assigned Exams**
 - **Result Entry**
 - **Result Publication**
 - **Student Search**
 - **Report Submission**
-

3. CEFR Report Card System

- **Automatic Report Generation**
 - **Downloadable PDF**
 - **Online Record Storage**
-

4. CEFR Verification System

- **Public Verification via Report Code**
-

5. Automatic Certification System

- **Certificate Generation**
 - **Certificate Storage**
 - **Download System**
-

6. Certificate Verification System

- **Public Verification via Certificate Code**

Final Architecture Principle

One Book

One Membership

One Student ID

One Dashboard

One Lifetime Communication Ecosystem

The entire platform should be interconnected through the Activation Code / Student ID, which acts as the permanent identifier for:

- **Membership**
- **Student Dashboard**
- **Speaking Community**
- **Exams**
- **Certificates**
- **Reports**
- **Payments**
- **Future Mobile App**
- **Lifetime Learning Journey**

Development Priority Order

Phase 1

Core Website + Authentication + Admin + Membership + Dashboard

Phase 2

Book Purchase + Payments + Activation + Notifications

Phase 3

Teacher + Partner + Orientation + Videos

Phase 4

Speaking Community + Reviews + Safety System

Phase 5

Assessment + Certificates + Analytics + PWA

COMPLETE GUIDE

SECTION 1 – HERO SECTION

SECTION 1 – HERO SECTION

Developer Instructions

The Hero Section is the most important conversion section of the website.

Within the first 5 seconds, the section must immediately communicate:

- ✓ *What SpeakEdge is.*
- ✓ *Why it is different.*
- ✓ *Why learners should trust it.*
- ✓ *What action they should take next.*

The section should feel like a premium global EdTech platform and immediately create the impression that SpeakEdge is:

More than a book.

More than an app.

More than a course.

SpeakEdge is a Complete English Communication Ecosystem.

Layout

Desktop Layout

Two-column layout.

SpeakEdge

The Complete English Communication Ecosystem

Practice with AI. Perform with Humans.

Supporting Text

Master English naturally through the perfect combination of:

- ✓ AI-Guided Daily Practice
- ✓ Human Interaction & Performance
- ✓ Native British, American & International English
- ✓ Lifetime Speaking Community & Speaking Partners
- ✓ CEFR Assessment & Certification
- ✓ Teacher-Led Live Practice

Whether you are a student, professional, job seeker, teacher, entrepreneur, or a young learner, SpeakEdge helps you become a confident communicator in real-life situations.

SEO Heading Structure

H1

SpeakEdge – The Complete English Communication Ecosystem

H2

Practice with AI. Perform with Humans.

H3

Master English Naturally Through the NRP Method.

Developer Notes

The Hero Section must communicate the following differentiators within the first 5 seconds:

1. Learn Naturally

Powered by the NRP (Natural Reception Power) Method.

2. Practice with AI. Perform with Humans.

A unique combination of AI-guided practice and human interaction.

3. Choose Your English.

British • American • International.

4. Communication Beyond Fluency.

Conversation, Interview, IELTS, Group Discussion, Public Speaking, Storytelling and Debate.

5. Lifetime Speaking Community.

A lifelong English-speaking network where learners can find speaking partners, create teams, and continue learning beyond AI and classrooms.

6. Educational Legacy.

Inspired by the methodologies and educational legacy of Sujyoti Language School, which has helped train over 20,000 fluent English speakers since 2009.

Desired User Actions

The Hero Section should encourage users to:

1. Buy the SpeakEdge Book.
2. Book a Free Demo Class.
3. Activate Membership.
4. Explore the Speaking Community.
5. Explore the complete SpeakEdge Ecosystem.

Final Design Goal

The visitor should leave the Hero Section with one thought:

"I don't just want to learn English. I want to become a confident communicator through the complete SpeakEdge ecosystem."

SECTION 2 – THE NRP METHOD

Objective

Immediately explain the core learning philosophy of SpeakEdge and clearly differentiate it from traditional English-learning methods based on memorisation.

The section should answer:

- Why is SpeakEdge different?
- How do learners acquire English?
- Why can learners become fluent without memorising grammar rules and vocabulary lists?

Section Heading

Learn English the Way You Learnt Your Mother Tongue.

Subheading

Powered by the NRP (Natural Reception Power) Method

Supporting Text

Most people try to learn English by memorising:

- ✗ Grammar rules
- ✗ Vocabulary lists
- ✗ Long word meanings
- ✗ Sentence patterns

Unfortunately, memorisation often creates fear, confusion, and slow progress.

SpeakEdge follows a different approach.

The NRP (Natural Reception Power) Method helps learners acquire English naturally, just as they acquired their mother tongue.

Instead of memorising English, learners gradually develop English through:

- ✓ Understanding
- ✓ Exposure
- ✓ Communication

Highlight Statement

No Memorisation.

No Rote Learning.

Learn Naturally. Communicate Confidently.

How the NRP Method Works

Step 1 – Understand

Learn English through meaningful situations and practical communication.

Step 2 – Receive

Listen, read, and interact with English repeatedly in natural contexts.

Step 3 – Acquire

Gradually absorb vocabulary, grammar, collocations, and communication patterns without conscious memorisation.

Step 4 – Communicate

Use English naturally and confidently in real-life situations.

What You Naturally Acquire

The NRP Method helps learners gradually acquire:

- ✓ Vocabulary
 - ✓ Grammar Patterns
 - ✓ Pronunciation
 - ✓ Native Expressions
 - ✓ Collocations
 - ✓ Communication Skills
-

Why It Works

The NRP Method is inspired by the natural process through which children acquire their first language. Instead of focusing on remembering rules, learners focus on understanding, exposure, and meaningful communication.

As confidence grows, English becomes increasingly natural and automatic.

Key Benefit Cards

Card 1

 Learn Naturally

Acquire English through understanding and communication.

Card 2

 No Memorisation

No need to memorise grammar rules or vocabulary lists.

Card 3

 Communicate with Confidence

Develop real-world communication abilities.

Card 4

 Build Fluency Faster

Spend less time memorising and more time communicating.

Visual Suggestion

Premium split illustration.

Left Side

Mother helping a child learn naturally.

Right Side

Adult learner confidently communicating in English.

Center Overlay

NRP Method

Understanding

Exposure

Communication

Natural Acquisition

Background Design

Light blue and white.

Subtle abstract shapes.

Soft educational illustrations.

Professional and premium appearance.

Suggested Colour Palette

Primary Blue:

#00529B

Secondary Blue:

#2F80ED

Gold Accent:

#F4B400

Background:

#F8FAFC

Animation Suggestions

As the user scrolls:

1. Understanding → appears.
2. Exposure → appears.
3. Communication → appears.
4. Natural Acquisition → appears.

This should create the feeling of a learning journey.

Developer Notes

This section is one of the most important sections of the entire website because it introduces the core educational philosophy of SpeakEdge.

The section must make visitors feel that:

SpeakEdge does not teach English through memorisation.

SpeakEdge helps learners acquire English naturally, just like they learnt their mother tongue.

The overall impression should be:

Simple.

Scientific.

Innovative.

Trustworthy.

SECTION 3 – PRACTICE WITH AI. PERFORM WITH HUMANS.

Objective

This section explains the complete SpeakEdge learning mechanism and demonstrates how learners develop fluency and communication confidence through:

1. AI-Guided Practice
2. Human Interaction
3. The SpeakEdge Book as the central learning resource.

The section should clearly communicate that:

- The SpeakEdge Book is the source of all practice activities.
 - AI and human interaction are the methods of practice.
 - Learners can continue practising for life, even without purchasing additional subscriptions.
-

Section Heading

Practice with AI. Perform with Humans.

Subheading

The Four-Step Fluency System

Master English through a structured journey that combines advanced AI-guided practice and real human interaction.

Spend Only 20 Minutes a Day.

Build Confidence That Lasts a Lifetime.

Supporting Text

Most learners either:

- ✗ Study grammar but never speak.
 - ✗ Practise with AI but never communicate with real people.
-

✗ Speak occasionally but never receive proper feedback.

SpeakEdge combines all of these into one complete ecosystem:

- ✓ Guided Practice
 - ✓ Instant Improvement
 - ✓ Performance Assessment
 - ✓ Human Communication
-

Four-Step Timeline

The section should display an interactive timeline infographic.

Step 1 – Practice with AI

Card Title

 Practice with AI

Description

AI helps learners practise the weekly activities and communication pathways available in the SpeakEdge Book.

The learner practises:

- ✓ Target Vocabulary
- ✓ Native Expressions
- ✓ Collocations
- ✓ Communication Activities

directly from the SpeakEdge Book.

Step 2 – Improve with AI Feedback

Card Title

 Improve with AI Feedback

Description

AI immediately provides feedback on:

- ✓ Grammar
- ✓ Vocabulary
- ✓ Pronunciation
- ✓ Sentence Structure

and encourages learners to improve their responses.

Step 3 – Assess Your Performance

Card Title

 Assess Your Performance

Description

AI provides:

- ✓ Strengths
- ✓ Weaknesses
- ✓ Areas of Improvement
- ✓ Performance Rating out of 10

to help learners track their progress.

Step 4 – Perform with Humans

Card Title

 Perform with Humans

Description

Real confidence develops when learners communicate with real people.
SpeakEdge offers two human interaction pathways.

Pathway 1 – Community Practice Pathway

Subtitle

Included with Your Lifetime Membership

Badge

No Additional Payment Required.

Description

The SpeakEdge Book remains the source of practice.

Using the communication activities and learning pathways available in the SpeakEdge Book, learners can practise with:

-  Conversation Partners
-  Speaking Teams
-  Weekly Speaking Activities
-  Real-Life Communication Tasks
-  Friends from Different Places

The SpeakEdge Book becomes the learner's lifelong speaking companion and source of practice.

Highlight Statement

One Book.
One Membership.
Lifetime Practice.
Pay Once. Practise Forever.

Pathway 2 – Guided Practice Pathway

Subtitle

Teacher-Led Live Classes + Community Practice

Description

Teachers use the communication activities and learning pathways of the SpeakEdge Book to provide:

- ✓ Expert Guidance
- ✓ Structured Speaking Activities
- ✓ Personal Feedback
- ✓ Corrective Support
- ✓ Higher Accountability
- ✓ Faster Communication Development

The learning journey does not end after the class.

Learners can continue developing their communication skills through additional speaking activities inspired by the SpeakEdge Book with:

- ✓ Conversation Partners
- ✓ Speaking Teams
- ✓ The SpeakEdge Community

This combination of teacher guidance and community interaction helps learners improve faster and communicate more naturally.

Highlight Statement

Learn with Teachers.

Practise with People.

Improve Faster.

Why the SpeakEdge Book is Different

Display this as a separate highlighted section.

The SpeakEdge Book is not merely a textbook.

It is:

-  The Learning Roadmap
-  The AI Practice Guide
-  The Community Speaking Companion
-  The Teacher-Led Classroom Resource
-  The Lifelong Communication Handbook

Every pathway in SpeakEdge begins and continues with the SpeakEdge Book.

Final Badge

AI Builds Fluency.

Humans Build Confidence.

SpeakEdge Builds Both.

Final Message

Whether learners choose Community Practice or Teacher-Led Live Classes, the SpeakEdge Book remains the centre of the entire ecosystem.

One Book.

One Membership.

One Learning Journey.

Unlimited Opportunities to Speak.

Image Suggestion

Interactive timeline infographic:

Practice with AI

Improve with AI Feedback

Assess Your Performance

Perform with Humans

Become a Confident Communicator

Design Requirements

- Modern timeline infographic.
 - Interactive cards.
 - Soft blue and white background.
-

- Premium corporate style.
 - Fully responsive.
 - Smooth animations while scrolling.
-

Developer Notes

This section is one of the biggest differentiators of SpeakEdge.

The user should clearly understand:

1. The SpeakEdge Book is the source of all practice activities.
2. AI provides daily guided practice.
3. Human interaction builds confidence.
4. Community practice is available for life without additional payment.
5. Teacher-led live classes provide a faster and more structured pathway.
6. Both pathways work together to create confident communicators.

The final feeling should be:

"I have a lifelong pathway to become a confident English communicator, regardless of my budget."

SECTION 4 – CHOOSE YOUR ENGLISH

Developer Instructions

Introduce one of the most unique features of SpeakEdge: learners can choose the type of English they want to develop.

The section should make visitors feel:

"I can learn the English that I love and feel comfortable speaking."

At the same time, visitors should understand that all three pathways provide the same communication ecosystem and learning opportunities.

Section Heading

Choose Your English.

Subheading

One Book.

Three Versions of English.

You choose the style of English you want to speak.

Supporting Text

English is spoken in different ways around the world.

Some people love the elegance of British English.

Some prefer the practicality of American English.

Others prefer a neutral and globally accepted style.

SpeakEdge gives you the freedom to choose.

No matter which style you choose, you will follow the same learning journey and develop the same communication abilities.

Layout Instructions

Display three cards side by side on desktop and stacked on mobile.

Card 1

GB British English

Speak naturally with British pronunciation, expressions, and communication styles.

Card 2

US American English

Communicate confidently using American pronunciation, vocabulary, and real-life expressions.

Card 3

International English

Develop clear and globally accepted English for effective communication everywhere.

Highlight Section

The SpeakEdge Book Contains All Three Versions of English.

There is no need to purchase separate books or courses.

The same SpeakEdge ecosystem supports:

GB British English

US American English

International English

Communication Abilities You Develop

Regardless of the English style you choose, SpeakEdge helps you develop:

Conversation Skills

Job Interview Skills

- ✓ IELTS Speaking Skills
 - ✓ Group Discussion Skills
 - ✓ Public Speaking Skills
 - ✓ Storytelling Skills
 - ✓ Debate Skills
 - ✓ Real-Life Communication Confidence
-

Highlight Statement

One Book.

Three Versions of English.

One Communication Ecosystem.

Unlimited Possibilities.

Final Message

The choice is yours.

Choose the English you want to speak.

Learn naturally.

Practise with AI.

Perform with Humans.

Communicate confidently with the world.

Final Badge

Choose Your English.

**Build Your Confidence.
Communicate with the World.**

Image Instructions

Three premium interactive cards:

GB British English

US American English

 **International English**

Cards should include:

- **Flag**
 - **Illustration**
 - **Short description**
 - **Hover animation**
-

Technical Instructions

- **Premium corporate style.**
 - **Interactive cards.**
 - **Blue and white theme.**
 - **Gold hover effect.**
 - **Fully responsive.**
 - **Smooth animations.**
-

Developer Notes

The purpose of this section is not to separate learners into different groups.

The purpose is to communicate freedom of choice.

The visitor should leave this section with one thought:

"I can choose the English I want to speak, and I still receive the complete SpeakEdge ecosystem."

This feature should significantly increase the perceived value of the SpeakEdge Book and reinforce the positioning:

One Book.

Three Versions of English.

One Learning Journey.

SECTION 5 – CHOOSE YOUR SPEAKEDGE JOURNEY

Developer Notes

This section should help visitors immediately identify which SpeakEdge journey is designed for them while making it clear that both journeys belong to the same English communication ecosystem.

The objective is not to separate adults and children into two different products. The objective is to demonstrate that SpeakEdge provides age-appropriate learning experiences while offering the same ecosystem, benefits, and opportunities.

This section should communicate the following ideas:

- 1. SpeakEdge is designed for both adults and young learners.*
- 2. Fluency is only one part of the journey.*
- 3. SpeakEdge develops communication abilities for different real-life situations.*
- 4. Public Speaking and Presentation Skills are one of the major highlights of both journeys.*
- 5. Every learner should feel: "There is a SpeakEdge journey designed specifically for me."*

Section Heading

Choose Your SpeakEdge Journey

Subheading

One Ecosystem.

Two Learning Journeys.

Multiple Communication Pathways.

Whether you are an adult learner or a young learner, SpeakEdge helps you become a confident communicator in real-life situations.

Layout

Display two premium interactive cards.

Desktop:

Two cards side by side.

Mobile:

Cards stacked vertically.

Card 1 – 🧑 SpeakEdge Adults

For Students, Professionals, Job Seekers, Teachers and Entrepreneurs.

Develop Communication Abilities For:

 **Everyday Conversation**

 **Job Interview Skills**

-  IELTS Speaking
 -  Group Discussion
 -  Public Speaking & Presentation Skills
 -  Storytelling
 -  Debate
-

What You Develop

-  Fluency and Communication Confidence
 -  Professional Communication Skills
 -  Interview Readiness
 -   Public Speaking & Presentation Confidence
 -  Leadership Communication
 -  Critical Thinking and Expression
 -  Real-Life Communication Confidence
-

Final Statement

Learn naturally.

Practise with AI.

Perform with Humans.

Communicate confidently in every important situation of life.

Card 2 –  SpeakEdge Kids

For Students from Class 4–10

Specially designed according to the age, interests, and communication needs of young learners.

Develop Communication Abilities For:

-  **Everyday Conversation**
 -  **IELTS Speaking Foundation**
 -  **Group Discussion**
 -  **Public Speaking & Presentation Skills**
 -  **Storytelling**
 -  **Debate**
-

What Children Develop

-  **Fluency and Communication Confidence**
 -   **Stage Confidence & Public Speaking Skills**
 -  **Academic Communication Skills**
 -  **Presentation Skills**
 -  **Creative Thinking and Expression**
 -  **Real-Life Communication Confidence**
-

Final Statement

Build confidence early.

Learn naturally.

Communicate clearly.

Grow into a confident English speaker.

Featured Highlight Section

Public Speaking – One of the Most Valuable Life Skills

The ability to express ideas confidently in front of others is one of the most important skills for:

-  **Academic Success**
-  **Career Growth**
-  **Leadership Development**
-  **Personal Development**

SpeakEdge helps learners gradually develop:

-  **Speaking with Confidence**
-  **Presentation Skills**
-  **Stage Performance**
-  **Audience Engagement**
-  **Leadership Communication**
-  **Real-World Speaking Confidence**

Highlight Section

Same SpeakEdge Ecosystem.

Different Learning Experiences.

Both journeys include:

-  **NRP-Based Natural Learning**
-  **British, American & International English**
-  **AI-Guided Practice**

- ✓ **Human Interaction**
- ✓ **Lifetime Speaking Community**
- ✓ **CEFR Assessment**
- ✓ **Speaking Test**
- ✓ **Certification**

The only difference is that the lessons, activities, examples, and communication tasks for children are specially designed according to their age and learning needs.

Final Message

No matter where you are in your journey—
a school student,
a university student,
a professional,
a teacher,
or an entrepreneur—
SpeakEdge has a communication pathway designed for you.

Final Badge

Choose Your Journey.
Build Your Confidence.
Communicate with the World.

Image Suggestion

Two premium interactive cards.

Card 1

A confident young professional delivering a presentation.

Card 2

A confident child speaking on a stage.

Background:

- **Modern educational illustrations.**
 - **Soft blue and white theme.**
 - **Premium corporate appearance.**
-

Technical Instructions

- **Premium EdTech appearance.**
 - **Interactive cards.**
 - **Hover effects.**
 - **Blue and white theme.**
 - **Gold accents for Public Speaking highlights.**
 - **Fully responsive.**
 - **Smooth animations.**
 - **Optimised for mobile devices.**
-

Final Developer Reminder

This section should create the impression that SpeakEdge is not merely a fluency course. It is a complete communication development ecosystem designed for different age groups and different communication situations.

The visitor should leave this section with one thought:

"There is a SpeakEdge journey designed specifically for me."

This section should also reinforce the idea that:

Communication is the destination.

Fluency is the pathway.

SECTION 6 – BECOME A SPEAKEDGE MEMBER

Developer Notes

This section is one of the most important conversion sections of the website.

The purpose of this section is to make visitors feel that ₹999 is not merely the price of a book. It is the entry ticket to an entire English communication ecosystem.

The section should communicate three ideas immediately:

- 1. The membership provides exceptional value.*
- 2. The SpeakEdge Book unlocks the entire ecosystem.*
- 3. The membership is a one-time investment that offers lifelong learning opportunities.*

The overall impression should be premium, aspirational, and high-value.

Section Heading

Become a SpeakEdge Member

Main Pricing Display

Final Developer Reminder

The visitor should finish this section with one thought:

"For ₹999, I am not buying a book. I am joining a lifelong English communication ecosystem."

SECTION 7 – THE BOOK THAT UNLOCKS AN ENTIRE ENGLISH COMMUNICATION ECOSYSTEM

Developer Instructions

This section is one of the most important conversion sections of the website.

The purpose of this section is to position the SpeakEdge Book as much more than a physical book. Visitors should immediately understand that purchasing the book unlocks the entire SpeakEdge ecosystem.

The book should be perceived as:

- *The gateway to the SpeakEdge ecosystem.*
- *The source of all learning pathways and practice activities.*
- *The key that unlocks membership, AI integration, community practice, assessments, and certification.*

The visitor should feel:

"I am not merely buying a book. I am unlocking an entire English communication ecosystem."

Section Heading

The Book That Unlocks an Entire English Communication Ecosystem

Subheading

One Book.

One Membership.

One Learning Journey.

Supporting Text

The SpeakEdge Book is the heart of the entire SpeakEdge ecosystem.

Every communication pathway, AI practice activity, speaking challenge, community interaction, assessment, and certification journey begins with the SpeakEdge Book.

Inside the book, you will find:

- ✓ British English
- ✓ American English
- ✓ International English
- ✓ Communication Pathways
- ✓ AI Practice Instructions
- ✓ Speaking Activities
- ✓ Lifetime Learning Roadmap
- ✓ Membership Activation Code

The activation code inside the book unlocks your SpeakEdge Membership and gives you access to the complete ecosystem.

Image Instructions

A large premium 3D mockup of the SpeakEdge Book should be displayed as the hero visual of this section.

Optional supporting elements:

- Membership card
 - Activation code illustration
 - AI icon
 - Community icon
 - Certificate icon
-

Technical Instructions

- Premium product showcase section.
 - Large 3D book mockup.
 - Interactive pricing cards.
-

- Blue and white theme.
 - Gold highlights for pricing and CTA buttons.
 - Fully responsive.
 - Smooth animations and hover effects.
 - Mobile-first optimisation.
 - Pricing cards should clearly differentiate Office Collection and Home Delivery.
-

Developer Notes

This section should significantly increase the perceived value of the SpeakEdge Book.

The visitor should leave this section with one thought:

"I am not buying a book. I am unlocking an entire English communication ecosystem."

The section should reinforce the positioning:

One Book.

One Membership.

One Learning Journey.

SECTION 8 – WHY IS THE SPEAKEDGE BOOK DIFFERENT?

Developer Instructions

This section should significantly increase the perceived value of the SpeakEdge Book and differentiate it from ordinary English books, grammar books, and vocabulary books.

The visitor should immediately understand that the SpeakEdge Book is not merely a collection of lessons or exercises. It is a complete communication development system.

The purpose of this section is to answer the question:

"Why should I choose the SpeakEdge Book instead of any other English book?"

The section should communicate that the book helps learners naturally acquire the most important components of English communication without relying on rote memorisation.

The visitor should leave this section with one thought:

"This book is designed to help me communicate confidently, not simply study English."

Section Heading

Why is the SpeakEdge Book Different?

Subheading

More Than a Book.

A Complete English Communication System.

Supporting Text

Most English books focus on only one area of learning.

Some teach grammar.

Some teach vocabulary.

Some teach speaking activities.

The SpeakEdge Book combines all the essential components of English communication into one structured learning journey.

Through the NRP (Natural Reception Power) Method, learners gradually acquire English naturally through understanding, exposure, and communication.

Key Features

Display as premium feature cards.

✓ **1500+ Native Collocations & Expressions**

Acquire practical native expressions and collocations that make your English sound natural and confident.

✓ **Vocabulary & Lexis**

Build a strong vocabulary naturally through communication activities and meaningful practice.

✓ **Grammar Patterns**

Develop grammatical accuracy through usage and communication instead of memorising rules.

✓ **Pronunciation**

Improve pronunciation and build confidence through guided practice and real-life speaking activities.

✓ **Communication Skills**

Develop the ability to communicate confidently in different real-life situations.

What Makes This Different?

The SpeakEdge Book helps learners gradually acquire:

- ✓ Vocabulary
- ✓ Native Expressions
- ✓ Grammar Patterns

✓ Pronunciation

✓ Communication Skills

through practical communication activities rather than theoretical memorisation.

Highlight Statement

Learn Naturally.

Communicate Confidently.

Grow Continuously.

Final Message

The SpeakEdge Book is not designed to help you pass a test.

It is designed to help you:

🎯 Speak Naturally.

🎯 Communicate Clearly.

🎯 Express Yourself Confidently.

🎯 Use English in Real Life.

Final Badge

One Book.

Multiple Communication Skills.

A Lifetime of Opportunities.

Image Instructions

A large 3D mockup of the SpeakEdge Book should be displayed at the centre of the section.

Premium icons should surround the book representing:

Vocabulary

Collocations

Grammar

Pronunciation

Communication Skills

The section should visually communicate that all these elements are integrated into one book.

Technical Instructions

- Premium feature-card layout.
- Large central 3D book mockup.
- Icons surrounding the book with subtle animations.
- Blue and white theme.
- Gold highlights for feature cards.
- Fully responsive.
- Smooth scroll and hover animations.
- Desktop: circular or semi-circular icon arrangement around the book.
- Mobile: stacked feature cards below the book.

Developer Notes

This section should make the SpeakEdge Book feel substantially more valuable than an ordinary English book.

The visitor should feel that the book is not merely teaching grammar or vocabulary but helping them become confident communicators.

This section should reinforce the positioning:

More Than a Book.

A Complete English Communication System.

Learn Naturally. Communicate Confidently.

SECTION 9 – MORE THAN FLUENCY

Developer Instructions

This section communicates one of the biggest differentiators of the SpeakEdge ecosystem.

Most English-learning platforms focus primarily on fluency and language knowledge. SpeakEdge goes beyond fluency and helps learners become confident communicators in different real-life situations.

The purpose of this section is to answer the question:

"Why is SpeakEdge different from other English learning platforms?"

The visitor should immediately understand that SpeakEdge is not merely helping learners speak English but helping them communicate, present, perform, and express themselves confidently.

This section should create the feeling:

"I am not just learning English. I am developing communication abilities that I can use throughout my life."

Section Heading

More Than Fluency

Subheading

Most platforms teach English.

SpeakEdge develops communicators.

Supporting Text

Speaking English fluently is important.

But real success requires much more than fluency.

You need the ability to:

communicate,

present,

express ideas,

participate in discussions,

perform in interviews,

and speak confidently in front of others.

That is exactly what SpeakEdge helps you develop.

What SpeakEdge Develops

Display as premium feature cards.

Fluency

Develop the ability to speak naturally and confidently.

Communication Skills

Learn to communicate effectively in different real-life situations.

 Confidence

Build confidence through continuous speaking practice and human interaction.

 Performance

Learn how to perform confidently in interviews, presentations, discussions, and public speaking situations.

 Multiple Communication Formats

Develop communication abilities across multiple situations including:

-  Conversation
 -  Job Interview
 -  IELTS Speaking
 -  Group Discussion
 -  Public Speaking
 -  Storytelling
 -  Debate
-

Highlight Section

English is a Skill.

Communication is a Superpower.

SpeakEdge helps learners build both.

Final Message

The goal of SpeakEdge is not simply to make you speak English.

The goal is to help you:

-  Communicate Clearly.
-  Think Critically.
-  Present Confidently.
-  Express Yourself Naturally.
-  Succeed in Real-Life Situations.

Highlight Statement

More Than Fluency.

More Than Speaking.

A Complete Communication Development Ecosystem.

Final Badge

Speak Fluently.

Communicate Confidently.

Perform Successfully.

Image Instructions

Display a premium comparison infographic.

Left Side: Typical English Platforms

-  Fluency Only
-  Grammar Only

- ✗ Vocabulary Only
 - ✗ Limited Communication Practice
-

Right Side: SpeakEdge

- ✓ Fluency
- ✓ Communication Skills
- ✓ Confidence
- ✓ Performance
- ✓ Multiple Communication Formats

The infographic should visually communicate that SpeakEdge goes beyond traditional English-learning platforms.

Technical Instructions

- Premium comparison infographic.
 - Interactive feature cards.
 - Blue and white corporate theme.
 - Gold highlights for SpeakEdge benefits.
 - Fully responsive.
 - Smooth animations and hover effects.
 - Desktop: side-by-side comparison.
 - Mobile: stacked comparison cards.
 - The "More Than Fluency" message should be visually highlighted.
-

Developer Notes

This section should significantly increase the perceived value of SpeakEdge by positioning it as a communication development ecosystem rather than a traditional English course.

The visitor should leave this section with one thought:

"SpeakEdge is helping me become more than a fluent English speaker. It is helping me become a confident communicator."

This section should reinforce the positioning:

More Than Fluency.

More Than Speaking.

A Complete Communication Development Ecosystem.

SECTION 10 – SPEND ONLY 20 MINUTES A DAY

Developer Instructions

This section should remove the biggest objection of potential learners: "I don't have enough time to learn English."

The message should be simple, motivational, and reassuring.

The visitor should feel:

"I can easily spend 20 minutes a day to improve my English."

Section Heading

Spend Only 20 Minutes a Day

Main Message

You do not need to spend hours memorising grammar rules or vocabulary lists.

With SpeakEdge, just:

20 Minutes a Day

can gradually transform the way you communicate in English.

Supporting Text

A small daily effort creates extraordinary results.

Spend just 20 minutes a day to:

- ✓ Build Fluency
 - ✓ Improve Communication Skills
 - ✓ Develop Confidence
 - ✓ Learn Native Expressions
 - ✓ Improve Pronunciation
 - ✓ Communicate Naturally
-

The SpeakEdge Formula

Practice with AI.

Perform with Humans.

Improve Every Day.

Highlight Statement

Just 20 Minutes a Day.

Consistent Practice.

Lifelong Communication Skills.

Final Message

You don't need hours of study every day.

You don't need to memorise thousands of words.

You don't need to spend years learning complicated grammar rules.

All you need is:

 The SpeakEdge Book

 Practice with AI

 Human Interaction

 Just 20 Minutes a Day

Small daily efforts create extraordinary results.

Final Badge

Practice with AI.

Perform with Humans.

Become a Confident Communicator.

Redirect to Free Demo Registration Page.

Image Instructions

Display a simple premium visual:

 20 Minutes a Day

 SpeakEdge Book

 Practice with AI

 Perform with Humans

 Communicate with Confidence

Technical Instructions

- Premium motivational section.
- Large "20 Minutes a Day" visual.
- Blue and white theme.
- Gold highlight for "20 Minutes".
- Interactive CTA buttons.
- Fully responsive.

- Smooth animations.

Developer Notes

This section should make English learning feel practical and achievable, even for busy learners.

The visitor should leave this section with one thought:

"I can definitely spend 20 minutes a day to become a confident English communicator."

This section should reinforce the positioning:

Spend Only 20 Minutes a Day.

Practice with AI.

Perform with Humans.

SECTION 11 – SPEAKEDGE SPEAKING COMMUNITY

Developer Instructions

This section should become one of the strongest differentiators of the SpeakEdge ecosystem.

The purpose of this section is to demonstrate that learners never have to practise English alone.

The visitor should immediately understand that SpeakEdge is not merely an AI platform but also a lifelong human speaking network.

The visitor should feel:

"I can always find people to practise English with."

This section should create the impression that the SpeakEdge Speaking Community (SSC) is a living, active, and supportive English-speaking ecosystem.

Section Heading

SpeakEdge Speaking Community

Subheading

A Lifetime English-Speaking Network.

Practice with AI.

Perform with Humans.

Grow Together.

Supporting Text

English grows through communication.

The SpeakEdge Speaking Community (SSC) ensures that your learning journey never stops.

Connect with learners, build friendships, create teams, and practise English together for life.

Whether you prefer independent learning or teacher-led practice, SSC gives you unlimited opportunities to communicate with real people.

Community Features

Display as premium feature cards.

- ✓ Find Speaking Partners
 - ✓ Create Speaking Teams
 - ✓ Practise Weekly
 - ✓ Build Confidence
 - ✓ Build Lifelong Connections
-

What You Can Do in SSC

-  Send Friend Requests
 -  Accept Speaking Partners
 -  Create Your Own Speaking Teams
 -  Join Existing Teams
 -  Practise Weekly Speaking Activities
 -  Build Confidence Through Human Interaction
 -  Continue Learning for Life
-

Why SSC is Different

Most platforms stop after AI practice.

SpeakEdge goes beyond AI.

You can:

-  Practise with AI.
 -  Practise with Real People.
 -  Build a Lifetime English-Speaking Network.
-

Highlight Statement

You Will Never Have to Practise English Alone Again.

Explore the Community

-  Explore Speaking Community

Action:

Redirect to Public Speaking Community Page.

Meet the SpeakEdge Community

Display:

Auto-Scrolling Member Profile Cards

The profile carousel should be positioned at the bottom of this section.

The rest of the section content remains visible above the carousel.

Profile Information

Each profile card should display:

-  Profile Photo
 -  First Name
 -  Age
 -  Gender
 -  CEFR Level
 -  Verification Status
 -  Send Friend Request
-

Verification Status

Before CEFR Assessment:

Self-Declared – Not Verified

After CEFR Assessment:

Verified

The verified CEFR level should be displayed automatically.

 Book a Free Demo

Community Statistics (Optional)

 Total Members

 Active Members

 Verified Members

 Speaking Teams Created

Final Message

Fluency grows through communication.

Communication grows through people.

The SpeakEdge Speaking Community gives you a lifelong place to practise, connect, and grow.

Final Badge

Practice with AI.
Perform with Humans.
Grow Together.

Image Instructions

*Use matrimony-style premium profile cards with real member photos.
The section should feel like a professional educational social network rather than a traditional forum.
The profile cards should create curiosity and encourage visitors to explore the community.*

Technical Instructions

- Create a dedicated public page:
/speaking-community
- Add **Speaking Community** to the main navigation.
- Add CTA:
Explore Speaking Community
- Display an auto-scrolling profile carousel at the bottom of Section 11.
- Scroll continuously from left to right.
- Pause on hover.
- Fully responsive.
- Lazy-load profiles.
- Clickable profile cards.
- Display only limited public information:
 - Photo
 - First Name

- Age
 - Gender
 - CEFR Level
 - Verification Status
 - Do not display:
 - Phone Number
 - Email
 - Address
 - Social Media Links
 - Use the same carousel on:
 - Public Speaking Community Page
 - Student Dashboard
 - Student Dashboard may additionally include:
 - New Members
 - Recently Active Members
 - Recommended Speaking Partners
-

Developer Notes

This section should become one of the most attractive and memorable features of SpeakEdge.

The visitor should leave this section with one thought:

"I will never have to practise English alone again."

This section should reinforce the positioning:

Practice with AI.

Perform with Humans.

Grow Together through the SpeakEdge Speaking Community.

SECTION 12 – CEFR ASSESSMENT & CERTIFICATION

Developer Instructions

This section should build trust and credibility by showing that SpeakEdge not only helps learners practise English but also measures, validates, and certifies their communication abilities.

The process should be simple, transparent, and automatically integrated with the student's profile and community account.

The visitor should feel:

"My progress can be measured, verified, and recognised."

Section Heading

CEFR Assessment & Certification

Subheading

Know Your Level.

Track Your Progress.

Get Recognised.

Supporting Text

Every SpeakEdge member receives a complimentary assessment and certification journey to understand their current level and showcase their progress.

Your results become a part of your lifelong SpeakEdge profile.

Features

Complimentary CEFR Level Test

Every SpeakEdge member can book one complimentary CEFR Level Assessment.

After the test:

- A detailed CEFR Report Card is generated.
- The report card becomes available in the student's dashboard.
- Students can download the report card anytime.

Verified CEFR Profile

At the time of membership activation, every member's community profile shows:

Self-Declared – Not Verified

After the CEFR assessment is completed and the report card is generated, the profile automatically changes to:

Verified

The verified CEFR level is displayed in the SpeakEdge Speaking Community.

Speaking Test

Members can take an official speaking test and evaluate their communication abilities.

Certification

Receive an official certificate from:

SpeakEdge

Under Sujyoti EdTech Pvt. Ltd.

Online Verification

Certificates and assessment records remain available online for verification.

Assessment Journey

 CEFR Level Test

 Report Card Generation

 Verified Community Profile

 Speaking Test

 Certification

Highlight Statement

Know Your Level.

Prove Your Progress.

Get Recognised.

Final Message

Your English journey deserves recognition.

SpeakEdge helps you:

 Measure your level.

-  Track your progress.
 -  Verify your achievements.
 -  Showcase your communication abilities.
-

Final Badge

Assess.

Verify.

Achieve.

CTA

 Learn More

Action:

Redirect to the CEFR Assessment & Certification Information Page.

Image Instructions

Display a simple assessment journey infographic:

Technical Instructions

- Generate downloadable CEFR report card PDF.
- Store report card inside Student Dashboard.
- Community profile must initially display:

Self-Declared – Not Verified

- After examiner submits the CEFR report:
 - Generate report card automatically.
 - Update community profile status to:

Verified

- Display the student's verified CEFR level automatically.
- The Activation Code of the book will act as the unique Student ID and should be used to map:
 - Dashboard
 - Report Card
 - Community Profile
 - Verification Records
 - Certificate Records
- Fully responsive design.
- Blue and white theme with gold highlights.

Developer Notes

This section should make the assessment system feel professional, credible, and transparent.

The visitor should leave this section with one thought:

"My English level and achievements can be officially verified and recognised through SpeakEdge."

SECTION 13 – TEACHER-LED LIVE PRACTICE

Developer Instructions

This section should present Teacher-Led Live Practice as an optional accelerator for learners who want more guidance, accountability, and structured speaking opportunities.

The section should clearly communicate that every SpeakEdge member already has access to AI practice and lifetime community practice. The subscription plans simply provide additional teacher guidance and live speaking sessions.

The visitor should feel:

"I can already practise for life with my membership, but these plans can help me improve faster."

Section Heading

Teacher-Led Live Practice

Subheading

Learn with Teachers.

Practise with People.

Improve Faster.

Supporting Text

Your SpeakEdge Membership already gives you:

- ✓ AI-Guided Practice
- ✓ Lifetime Speaking Community
- ✓ Conversation Partners
- ✓ Speaking Teams

Teacher-Led Live Practice is designed for learners who want:

- 🎯 Structured Guidance
- 🎯 Regular Accountability
- 🎯 Expert Feedback
- 🎯 Additional Speaking Opportunities
- 🎯 Faster Communication Development

All live classes are based on the communication pathways and activities of the SpeakEdge Book.

Subscription Plans

Display all plans as premium pricing cards.

 - Separate page for detailed subscription information.
-

Developer Notes

This section should position Teacher-Led Live Practice as an optional premium accelerator rather than a necessity.

The visitor should leave this section with one thought:

"I can become fluent with my membership, but these plans can help me improve faster with expert guidance."

This section should reinforce the positioning:

Learn with Teachers.

Practise with People.

Improve Faster.

SECTION 14 – SUCCESS STATISTICS

Developer Instructions

This section should build trust, credibility, and authority.

The purpose of this section is to leverage the legacy and reputation of Sujyoti Language School while introducing

SpeakEdge as the next-generation English communication ecosystem inspired by its methodologies.

Visitors should immediately feel that SpeakEdge is not a newly created experimental platform but a modern ecosystem built upon years of educational experience and proven results.

This section should create the feeling:

"Thousands of learners have already benefited from the methodology behind SpeakEdge."

Section Heading

Success Statistics

Statistics Cards

20,000+

Fluent English Speakers Trained

Through the methodologies and educational legacy of Sujyoti Language School.

Since 2009

Educational Excellence

More than a decade of experience in English communication training.

CEFR-Aligned

Learning Methodologies

Structured learning pathways based on international language standards.

AI-Powered

Educational Solutions

Combining proven teaching methodologies with modern AI technologies.

Highlight Statement

Proven Legacy.

Modern Innovation.

A New Way to Learn English.

Supporting Text

SpeakEdge is inspired by the educational methodologies and legacy of Sujyoti Language School and developed by Sujyoti EdTech Pvt. Ltd. to bring English communication training into the AI era.

Final Message

Thousands of learners have already transformed their communication abilities through the methodologies that inspired SpeakEdge.

Now, the same legacy is being combined with modern technology to create a complete English communication ecosystem.

Final Badge

20,000+ Fluent English Speakers.

Since 2009.

Powered by Experience.

Driven by Innovation.

Image Instructions

Display four premium statistics cards with animated counters.

Optional supporting visuals:

 Students

 CEFR

AI Technology

Include a subtle "Inspired by the Legacy of Sujyoti Language School" visual element.

Technical Instructions

- Premium statistics section.
- Animated number counters.
- Four responsive statistic cards.
- Blue and white theme with gold highlights.
- Smooth scroll animations.
- Mobile-friendly layout.
- Counter animation should trigger when the section becomes visible.
- Add a small disclaimer below the section:*

SpeakEdge is inspired by the methodologies and educational legacy of Sujyoti Language School. SpeakEdge is an independent product developed and operated by Sujyoti EdTech Pvt. Ltd.

Developer Notes

This section should leverage the trust and reputation built by Sujyoti Language School while maintaining the independent identity of SpeakEdge.

The visitor should leave this section with one thought:

"SpeakEdge is a modern AI-powered ecosystem built upon years of proven educational experience and success."

SECTION 15 – OUR PROMISE & FINAL CALL TO ACTION

Developer Instructions

This is the final conversion section of the website.

The purpose of this section is to leave an emotional and aspirational impression before visitors take action.

The section should communicate that SpeakEdge is not merely an AI platform or an English course. It is a complete communication development ecosystem designed to help people communicate confidently in real-life situations.

This section should inspire visitors to begin their journey immediately.

The visitor should leave this section with one thought:

"I want to become a confident communicator through SpeakEdge."

Section Heading

Our Promise

Developer Notes

This section should act as the final emotional trigger before conversion.

The website should end with inspiration, trust, and a clear invitation to take action.

The visitor should leave the website with one thought:

"I don't just want to learn English. I want to become a confident communicator through SpeakEdge."

This section should reinforce the final positioning of SpeakEdge:

Practice with AI.

Perform with Humans.

Communicate with Confidence.

MODULE 4 – PARTNER SYSTEM

Stage 1 – Partner Registration, Dashboard & Sales Management

Developer Instructions

This Partner System should be developed as a corporate-level partner network for Sujyoti EdTech Pvt. Ltd.

It should not be limited to SpeakEdge only.

The same partner system should support the promotion, sale, lead generation, and reporting of:

- ☒ SpeakEdge
- ☒ Sujyoti Language School Courses
- ☒ Future products and services of Sujyoti EdTech Pvt. Ltd.

The system should support different types of partners with different levels of access and reporting.

All partner applications, profiles, leads, sales reports, admissions, and public directory data should be manageable from the Admin Panel.

Partner System Name

Sujyoti EdTech Partner Network

Public Positioning

Partner with Sujyoti EdTech

Build a Business. Promote Education. Grow with Us.

Earn ₹10,000 to ₹1,00,000+ per month.*

Income depends on partner type, effort, location, business model, and performance.

Partner Types

Educational Institute Partner

Schools, coaching centres, training institutes, language institutes, and educational organisations.

Complete Sujyoti Franchisee Partner

A complete Sujyoti Language School / Sujyoti EdTech franchisee or an aspiring franchisee applicant.

Organisation / Institute Name should be optional.

Book Store / Shop Partner

Book stores, stationery shops, and local businesses.

Individual Partner

Individual promoters, counsellors, teachers, influencers, and referral partners.

Organisation details are not required.

PART A – PUBLIC PARTNER PAGE

URL

/partners

or

/partner-network

This page should be available on the Sujyoti EdTech corporate website.

SpeakEdge website should redirect users to this corporate partner page.

Page Heading

Partner with Sujyoti EdTech

Build a Business. Promote Education. Grow with Us.

Why Become a Partner?

-  Attractive income opportunities
 -  Performance-based growth
 -  Trusted educational legacy since 2009
 -  Modern AI-powered products
 -  Strong product portfolio
 -  Long-term business opportunity
 -  Dedicated support and training
-

Opportunities Available

Partners may get opportunities to promote or sell:

-  SpeakEdge
 -  Sujyoti Language School Courses
 -  Books
 -  Memberships
 -  Future Sujyoti EdTech Products
 -  Franchisee Opportunities
-

CTA Buttons

-  [Apply for Partnership](#)

 Request a Callback

Public Partner Directory

Approved partners should be visible publicly.

Display:

- Partner Name
 - Partner Type
 - Address
 - Mobile Number
 - Email (Optional)
 - Google Map Location
 - Products / Services Offered
 - Website (Optional)
 - CTA: View Details
-

Success Message

Thank you.

Your partnership application has been received.

Our team will contact you shortly.

PART C – PARTNER APPROVAL SYSTEM

Application Status

- Pending
 - Under Review
 - Approved
 - Rejected
 - On Hold
-

Admin Actions

- View Application
 - Approve
-

- Reject
- Put on Hold
- Add Remarks
- Assign Partner ID
- Assign Partner Type
- Define Products Allowed
- Create Partner Dashboard
- Create Franchisee Microsite (if applicable)

PART D – PARTNER DASHBOARD

After approval, every partner receives a dashboard.

Dashboard Home

Display:

- Partner Name
- Partner ID
- Partner Type
- Approval Status
- Allowed Products / Services
- Profile Information

Performance Summary

Display:

Total Leads

-  Total Admissions
 -  Total Book Sales
 -  Product-wise Sales
 -  Pending Approvals
 -  Monthly Performance
 -  Revenue Generated (Optional)
-

Lead Management

Partners can:

- Add New Lead
 - Edit Lead Information
 - Update Lead Status
 - View Lead History
 - Select Product / Service Interest
-

Lead Status

- New Lead
 - Contacted
 - Demo Registered
 - Admission Pending
 - Converted
 - Lost
-

Sales / Admission Reporting

Partners can report:

- Book Sales
 - Course Admissions
 - Membership Sales
 - Student Registrations
 - Product-wise Sales
-

Approval Workflow

All partner-submitted activities should remain:

Pending Admin Approval

until approved by Admin.

Only after approval should data become final and visible in reports.

Partner Activities

Partners should be able to view:

- Total Leads
 - Total Admissions
 - Total Book Orders
 - Product-wise Performance
 - Pending Approval Reports
 - Monthly Performance
 - Yearly Performance
-

Reports

Generate:

- Monthly Report
 - Yearly Report
 - Product-wise Report
 - Download Report (Excel/PDF)
-

PART E – FRANCHISEE MICROSITE SYSTEM

Applicable only for approved Complete Sujyoti Franchisee Partners.

Franchisee Page URL

Example:

sujyotiedtech.com/franchisee/madhyamgram

or

sujyotiedtech.com/partner/abc-institute

Franchisee Page Content

- Franchisee Name
 - About the Franchisee
 - Address
 - Contact Number
 - WhatsApp Number
 - Courses / Products Offered
 - Photos / Gallery
-

- Google Map
 - Enquiry Form
 - CTA Buttons:
 - Contact Centre
 - Book Demo
 - View Courses
-

Admin Control

Admin should be able to:

- Create Franchisee Page
 - Edit Page Content
 - Add / Remove Photos
 - Publish / Unpublish Page
 - Link Leads to Franchisee Dashboard
-

PART F – ADMIN PANEL

Admin should be able to:

- View all partner applications
 - Search and filter partners
 - Approve / reject applications
 - Assign Partner ID
 - Assign Partner Type
 - Assign Products / Services
 - View partner performance
-

- Approve partner reports
 - Edit partner details
 - Create franchisee microsites
 - Suspend or deactivate partners
 - Generate overall reports
-

Public Partner Directory Management

Admin should be able to:

- Add Partner
 - Edit Partner
 - Hide Partner
 - Delete Partner
 - Control public visibility
 - Control product visibility
 - Manage partner location details
-

Data Export

Admin should be able to export:

- Partner List
 - Partner Leads
 - Partner Sales
 - Partner Admissions
 - Product-wise Reports
 - Monthly Reports
-

- Yearly Reports

Formats:

- Excel
 - CSV
 - PDF
-

Technical Instructions

- Fully responsive design.
- Simple and conversion-focused application form.
- Dynamic form based on Partner Type.
- Role-based access.
- Corporate-level partner system.
- Partner dashboard.
- Admin dashboard.
- Public partner directory.
- Partner opportunity landing page.
- Search and filter functionality.
- Excel / CSV / PDF export.
- Product-wise access control.
- Product-wise sales and admission tracking.
- Approval workflow for partner-submitted activities.
- Franchisee one-page microsite generation system.
- Activity logs.
- SpeakEdge website partner links should redirect to the Sujyoti EdTech corporate partner page.

Developer Notes

The initial partnership application should be extremely simple.

Detailed forms, agreements, documents, commission information, and business details should be collected only after the applicant becomes an approved partner and receives dashboard access.

This module should become a central partner ecosystem for all current and future products of Sujoyoti EdTech Pvt. Ltd.

Final Journey

Final Reports & Public Visibility

MODULE 5 – TEACHER SYSTEM

Features

- Apply for Teachership Form
- Certified Teacher List
- Teacher Dashboard
- Teacher Profile Management

Developer Instructions

The Teacher System should be simple, operational, and mobile-friendly.

Teachers should not manage a complicated ERP system. Their primary responsibilities are to view assigned batches, submit attendance, check earnings, and communicate with the admin.

PART A – APPLY FOR TEACHERSHIP FORM

URL

/apply-for-teachership

Page Heading

Apply for Teachership

Teach with Sujyoti. Grow with SpeakEdge.

Application Form

- Full Name *
- Mobile Number *
- WhatsApp Number *
- Email Address *
- City / District *
- Highest Academic Qualification *
- English CEFR Level *
 - A1
 - A2
 - B1
 - B2
 - C1
 - C2
 - Not Tested

CTA

 Submit Application

Success Message

Thank you.

Your teachership application has been received.

Our team will contact you within 72 hours.

Admin Functions

Admin should be able to:

- View applications
- Search applications
- Delete applications if required
- Export application data

No approval workflow is required for the application form.

PART B – CERTIFIED TEACHER LIST

URL

/teachers

Public Teacher Directory

Display only:

- Teacher Photo
 - Teacher Name
 - Teacher ID
 - Badge: **Certified Teacher – Sujyoti Language School & SpeakEdge**
-

Admin Functions

Admin should be able to:

- Add Teacher
 - Edit Teacher
 - Remove Teacher
-

- Upload Teacher Photo
 - Generate Teacher ID
 - Control Public Visibility
-

Teacher Account Note

All teachers must take SpeakEdge Membership with the SpeakEdge Book.

Therefore, a teacher may have two separate accounts if they wish:

1. Teacher Account
2. Student Account

Both accounts should remain completely independent.

PART C – TEACHER DASHBOARD

Dashboard Home

Display:

- Teacher Name
 - Teacher ID
 - Assigned Batches
 - Student Ratings
 - Pending Attendance Approvals
 - Notifications
 - Monthly Earnings
 - Total Received Amount
-

My Batches

Teacher should be able to view:

- Batch ID
 - Course Name
 - Day of the Week
 - Class Time
 - Assigned Students
 - Student IDs
 - Subscription Expiry Dates
-

Attendance Submission

After every class, the teacher should submit attendance.

The teacher only needs to tick:

- Present
- Absent

beside each student's name in the assigned batch.

Attendance Workflow

Teacher submits attendance.

Status: **Pending Admin Verification**

Admin manually verifies the class.

Admin approves attendance.

Student attendance records update automatically.

Teacher remuneration updates automatically.

Student Subscription Expiry

When a student's subscription expires:

- Student status automatically changes to **Expired**.
- The student is automatically removed from the active batch list in the system, as the expiry date is set by the admin during subscription.
- The teacher receives an automatic notification to remove the student from the WhatsApp group.
- The teacher manually removes the student from the WhatsApp group.

Teacher Ratings & Reviews

Teacher should be able to view:

- Average Rating
- Number of Reviews
- Student Feedback

Once attendance is approved, a review form will automatically appear in the student's account for that specific class, mentioning:

- Class Day
- Class Time
- Teacher Name
- Teacher ID

The review form will appear once a day for the next seven days until the student submits a response.

Remuneration System

After the admin approves attendance:

- Remuneration for that class appears in the Teacher Dashboard.
 - The same information appears in the Admin Panel.
-

Earnings Section

Display:

- Pending Amount
 - This Month's Earnings
 - Total Received Amount
-

Payment Workflow

Admin marks payment as completed.

Teacher receives notification.

Teacher confirms: **Payment Received**

Amount moves to **Total Received Amount**.

PART D – TEACHER PROFILE MANAGEMENT

Teachers should be able to view and update:

- Mobile Number
- WhatsApp Number
- Email Address
- Profile Photo

Admin should be able to edit all teacher information, including qualification and CEFR level.

PART E – NOTIFICATION SYSTEM

Admin can send notifications to teachers.

Examples:

- New Batch Assigned
- Student Expired
- Attendance Approved
- Attendance Rejected
- Payment Processed
- General Announcement

Teachers can respond to notifications.

Only the admin can delete notifications and conversations.

Technical Instructions

- Fully responsive design.
 - Mobile-first teacher dashboard.
 - Role-based access.
 - Separate Teacher and Student accounts.
 - Public Certified Teacher Directory.
-

- Unique Teacher ID generation.
- Batch-wise teacher-student mapping.
- Attendance submission using Present/Absent tick boxes.
- Attendance remains pending until admin approval.
- Automatic update of student attendance and teacher remuneration after approval.
- Automatic student subscription expiry detection.
- Dashboard earnings calculation.
- Payment confirmation workflow.
- Notification and response system.
- Search, filter, export, and activity logs are required.

Developer Notes

Keep the Teacher Dashboard extremely simple.

Teachers should primarily use the system to:

1. View assigned batches.
2. Submit attendance.
3. Monitor expired students.
4. View earnings.
5. Receive and respond to admin notifications.

Admin controls:

- Batch creation
- Student assignment
- Teacher assignment
- Attendance approval

- Payment processing
 - Teacher reviews
 - Public teacher directory management
-

Final Workflow

Teacher Application

Admin Adds Certified Teacher

Teacher ID Generated

Admin Assigns Batches

Teacher Creates WhatsApp Group

Teacher Conducts Class

Teacher Submits Attendance

Admin Verifies Class

Attendance Approved

Remuneration Updated

Payment Processed

Teacher Confirms Payment Received

MODULE 6

SPEAKEDGE SPEAKING COMMUNITY (SSC)

System Architecture & User Layers

The SpeakEdge Speaking Community (SSC) should operate in three layers.

LAYER 1 – HOMEPAGE SECTION

(Marketing & Social Proof)

Purpose:

Introduce SSC as one of the biggest differentiators of SpeakEdge and create curiosity.

Location:

Section 11 of the Public Website.

Features:

- ✓ Brief introduction to SSC.
- ✓ Community benefits.
- ✓ Community statistics.
- ✓ Auto-scrolling profile carousel at the bottom.
- ✓ Explore Speaking Community CTA.
- ✓ Activate Membership CTA.

Profile Information

Display limited information only:

-  Profile Photo
-  First Name
-  Age
-  Gender
-  CEFR Level
-  Verification Status
-  Send Friend Request

CTA Behaviour

If visitor is not a member:

Click:

Send Friend Request

Popup:

Activate your SpeakEdge Membership to connect with speaking partners.

Buttons:

 Activate Membership

 Book a Free Demo

Purpose of this layer:

Social proof and lead generation.

LAYER 2 – PUBLIC SPEAKING COMMUNITY PAGE

URL:

/speaking-community

Purpose:

Dedicated public page to showcase the power of the SpeakEdge Speaking Community.

Anyone can visit this page without logging in.

Hero Section

SpeakEdge Speaking Community

A Lifetime English-Speaking Network.

Practice with AI.

Perform with Humans.

Grow Together.

Features

- ✓ Find Speaking Partners
 - ✓ Create Speaking Teams
 - ✓ Practise Weekly
 - ✓ Build Confidence
 - ✓ Connect with Learners Worldwide
-

Community Statistics

- 🌐 Total Members
 - 👥 Active Members
 - 🏆 Verified Members
 - 🤝 Speaking Teams Created
-

Public Member Directory

Display:

Auto-scrolling and searchable member cards.

Information:

- 👤 Photo
 - 👤 First Name
 - 👤 Age
 - 👤 Gender
-

-  CEFR Level
 -  Verification Status
 -  Send Friend Request
-

Filters (Optional)

Search by:

- CEFR Level
 - Gender
 - Age Group
 - Country
 - State
 - Communication Interest
-

CTA Behaviour

Non-members can:

-  View profiles.
-  Search members.
-  Explore the community.

They cannot:

-  Send messages.
 -  Send friend requests.
 -  Join teams.
 -  Create teams.
-

Clicking these actions will show:

Activate Membership to join the SpeakEdge Speaking Community.

Purpose of this layer:

SEO, trust building, and conversion.

LAYER 3 – MEMBER SPEAKING COMMUNITY DASHBOARD

URL:

/dashboard/community

Access:

Members only.

Purpose:

The actual community platform.

Dashboard Features

Community Feed

Announcements.

Weekly speaking topics.

Community updates.

My Speaking Partners

Friend requests.

Accepted partners.

Blocked members.

Speaking Teams

Create team.

Join team.

Leave team.

Maximum:

2 teams created by one member.

Maximum:

8 members in one team.

Member Search

Find members using filters.

Send friend requests.

Notifications

Friend requests.

Team invitations.

Announcements.

Warnings.

Weekly Practice

Weekly speaking activities.

Book-based speaking tasks.

Team activities.

My Profile

Photo

Age

Gender

CEFR Level

Verification Status

Bio

Communication Interests

Verification Status

Before CEFR Test:

Self-Declared – Not Verified

After CEFR Report Generation:

Verified

The system should automatically update the profile based on Student ID.

The Activation Code of the book acts as the Student ID.

Community Safety System

Block member.

Report member.

Community warning system.

Account suspension system.

Bottom Community Carousel

The dashboard may permanently show:

Recently Active Members

Recommended Speaking Partners

New Members

Purpose of this layer:

Lifetime human interaction and speaking practice.

Overall User Journey

Public Website

Section 11 – SSC

Explore Speaking Community

Public SSC Page

Buy Book & Activate Membership

Member Dashboard

Find Partners

Create Teams

Practise for Life

Final Positioning

SpeakEdge is not merely an AI platform.

SpeakEdge is:

AI-Guided Practice

-

Lifetime Human Practice

-

A Complete English-Speaking Network

MODULE 7 – BOOK DELIVERY & ACTIVATION CODE SYSTEM

Purpose

The activation code inside every SpeakEdge Book acts as:

- ✓ **Membership Activation Key**
- ✓ **Unique Student ID**
- ✓ **Community ID**
- ✓ **Dashboard ID**
- ✓ **Assessment ID**
- ✓ **Certificate ID**

One code can only be activated once and can never be reused.

Activation Code Format

Format:

SPK-26-Z62AbH

Structure:

SPK

Brand Prefix

26

Year of Book Printing / Code Generation

Z62AbH

Random PAN-card-style alphanumeric code

Examples:

SPK-26-A81KdP

SPK-26-X53LmQ

SPK-26-M29RtB

Code Generation System

Admin can generate activation codes in bulk.

Examples:

- **Generate 100 codes**
- **Generate 500 codes**

- **Generate 1000 codes**
- **Generate 5000 codes**

Every generated code must be:

-  **Unique**
 -  **Non-editable after generation**
 -  **Impossible to duplicate**
-

Bulk Code Export

Generated codes should be downloadable as:

- **Excel**
- **CSV**
- **PDF (Optional)**

The exported file will be used to:

- 1. Print activation code stickers.**
 - 2. Insert codes inside the plastic-wrapped books.**
-

Book Workflow

Admin generates codes.

Codes are exported.

Codes are printed.

One code is inserted inside one book.

Book is sealed.

Student purchases the book.

Student receives the code.

Student activates membership.

Activation Workflow

Student enters:

- **Activation Code**
- **Mobile Number**
- **Password**

System checks:

Is the code valid?

If Valid

Status changes:

Unused

Activated

The system automatically creates:

- ✓ **Student ID**
- ✓ **Membership Account**
- ✓ **Student Dashboard**
- ✓ **Community Profile**

The activation code itself becomes the Student ID.

Example:

Student ID:

SPK-26-Z62AbH

Password System

Students can:

- ✓ **Create password during activation.**

Students can later:

- ✓ **Change password.**

Admin can also:

- ☒ **Reset password.**
 - ☒ **Change password.**
-

Activation Code Status

Unused

Code generated but not activated.

Activated

Membership activated successfully.

Blocked

Manually blocked by admin.

Examples:

- . Fraud detected**
- . Lost book**
- . Security issue**

Expired

Optional future feature.

Currently not required because SpeakEdge Membership is lifetime.

Duplicate Prevention

One activation code can never be used twice.

If an activated code is entered again:

Display:

This activation code has already been used.

Please contact support if you believe this is an error.

Manual Code Assignment

Admin should be able to:

- **Search any code.**
 - **Manually assign code to a student.**
-

- **Correct activation issues.**
 - **Transfer ownership in exceptional situations.**
- All manual actions should be logged.**
-

Activation History

Every code should preserve:

- **Generated Date**
 - **Activated Date**
 - **Student Name**
 - **Mobile Number**
 - **Status**
 - **Admin Actions**
-

Activation Logs

Maintain complete logs:

- **Generated By**
 - **Activated By**
-

- **Password Reset**
 - **Status Changes**
 - **Manual Assignment**
 - **Block/Unblock Actions**
-

Search & Filter

Admin should be able to search using:

- **Activation Code**
 - **Student ID**
 - **Mobile Number**
 - **Status**
 - **Date Range**
-

Export System

Admin can download:

- **All Codes**
 - **Unused Codes**
-

- **Activated Codes**
- **Blocked Codes**
- **Date-wise Reports**

Formats:

-  **Excel**
-  **CSV**

Admin Dashboard Statistics

Display:

-  **Total Codes Generated**
-  **Unused Codes**
-  **Activated Codes**
-  **Blocked Codes**
-  **Activation Percentage**

Technical Instructions

- Secure random code generation.
- Database-level uniqueness validation.
- One-time activation only.
- Activation code becomes Student ID permanently.
- Password reset functionality.
- Admin password management.
- Search and filter functionality.
- Excel and CSV export.
- Complete activity logs.
- Mobile-friendly admin interface.

Developer Notes

This module is the foundation of the entire SpeakEdge ecosystem.

The Activation Code should act as the single unique identifier for:

- ✓ Student Dashboard
- ✓ Membership System

- ✓ Speaking Community
- ✓ CEFR Reports
- ✓ Certificates
- ✓ Payment History
- ✓ Teacher Reviews
- ✓ Future Mobile App

The same Student ID should remain with the learner for life.

Final Journey

Generate Activation Code

Insert Code Inside Book

Student Purchases Book

Student Activates Membership

Code Becomes Student ID

Dashboard Created

Community Profile Created

Lifetime SpeakEdge Membership Activated

MODULE 8 – MEMBERSHIP ACTIVATION SYSTEM

Developer Instructions

This module activates SpeakEdge Membership using the activation code inside the SpeakEdge Book.

The activation code becomes the permanent Student ID.

After successful submission, the account remains under verification for up to 72 hours.

Activation Page URL
/activate-membership

Student Registration Form

Required Fields

- . Activation Code / Student ID ***
- . Full Name ***
- . Age ***
- . Gender ***
- . Mobile Number ***
- . WhatsApp Number ***
- . Email Address (Optional)**
- . Full Address ***
- . State ***

- **District / City ***
- **PIN Code ***
- **CEFR Level**
 - **Self-Declared – Not Verified**
 - **A1**
 - **A2**
 - **B1**
 - **B2**
 - **C1**
 - **C2**
 - **Not Sure**

Uploads

Profile Photo

- **Required**
- **Recommended max size after compression: 500 KB**
- **Recommended display size: 300 × 300 pixels**

- **Allowed formats: JPG, JPEG, PNG**

ID Proof

Accepted documents:

- **Aadhaar Card**
- **Voter ID**
- **School / College Certificate**
- **PAN Card**
- **Birth Certificate**
- **Admit Card**
- **Any other valid ID proof**

Recommended max size after compression: 1 MB

Allowed formats: JPG, JPEG, PNG, PDF

About Me Section

Write about yourself within 100 words.

Consent & Agreements

Student must tick:

- ☒ **I agree to the Community Rules.**
 - ☒ **I accept the Terms & Conditions.**
 - ☒ **I accept the Safety Policy.**
 - ☒ **I understand that the paid amount is non-refundable.**
 - ☒ **I agree to follow the SpeakEdge learning process.**
-

Password Creation

Student must create:

- **Password ***
- **Confirm Password ***

Student can change password later.

Admin can reset/change password if required.

Activation Code Verification

System must check:

- **Code exists.**
- **Code status is Unused.**
- **Code has not been activated before.**
- **Code is not blocked.**

If valid:

- **Registration is submitted.**
- **Code status changes to Pending Verification.**
- **Student account is created.**
- **Student dashboard is created.**
- **Community profile is created.**
- **Verification status shows Pending.**

72-Hour Verification Workflow

After submission, status should show:

Verification Pending

Message:

Your membership activation request has been submitted.

Verification may take up to 72 hours.

After admin approval:

- **Membership becomes Active.**
- **Community profile becomes visible.**
- **Student dashboard becomes fully active.**

If rejected:

- **Admin can add rejection reason.**
- **Student can resubmit corrected information.**

Community Profile Creation

Create community profile using:

- **Profile Photo**
- **First Name**
- **Age**
- **Gender**
- **CEFR Level**
- **Verification Status**

Initial CEFR status:

Self-Declared – Not Verified

After CEFR test/report:

Verified

Dashboard Creation

After activation submission, create Student Dashboard with limited access.

After admin approval, unlock full access.

Admin Functions

Admin should be able to:

- **View activation requests**
 - **Approve activation**
 - **Reject activation**
 - **Add remarks**
 - **View uploaded documents**
 - **Search by Student ID / Activation Code**
-

- **Reset password**
 - **Change password**
 - **Block account**
 - **Archive profiles**
 - **Export data**
-

Activation Status

- **Unused**
 - **Pending Verification**
 - **Active**
 - **Rejected**
 - **Blocked**
 - **Archived**
-

Image Compression System

**The system should automatically compress uploaded files before storing them.
If a file still exceeds the allowed limit after compression, display:**

The uploaded file exceeds the allowed size. Please upload a smaller file.

Global Data Deletion & Recovery Policy

This deletion policy should apply to all modules of the platform.

No record should be permanently deleted immediately.

Applicable data includes:

- . Student Profiles**
- . Partner Profiles**
- . Teacher Profiles**
- . Activation Records**
- . Payments**
- . Leads**
- . Notifications**
- . Reports**
- . Community Data**
- . Certificates**
- . CEFR Records**

Deletion Workflow

Delete Action

Move to Archive

Retain for 60 Days

Restore Available to Super Admin

Permanent Deletion Allowed After 60 Days

Archive Status

Every archived record should store:

- **Status: Archived**
- **Archived Date**
- **Archived By**

- **Deletion Reason**
- **Auto-Deletion Date**

Restore System

Only Super Admin can:

- **View archived records**
- **Search archived records**
- **Restore records**
- **Permanently delete records after 60 days**

Bulk Deletion Policy

Normal Admin:

- **Cannot permanently delete records.**
- **Can archive records if permitted.**

Super Admin:

- **Can archive records.**
- **Can restore records.**

- **Can permanently delete records only after the 60-day retention period.**

Archive Dashboard

Super Admin should be able to filter archived data by:

- **Module**
- **Date Range**
- **User Type**
- **Deleted By**
- **Status**

Audit Logs

Maintain logs for:

- **Archived By**
- **Restored By**
- **Permanently Deleted By**
- **Date & Time**
- **Reason**

- **Record IDs affected**

Technical Instructions

- **Activation code must be single-use.**
- **Activation code becomes permanent Student ID.**
- **Student dashboard and community profile should be created automatically after form submission.**
- **Full access only after admin approval.**
- **Profile photo compression required.**
- **ID proof compression required.**
- **Secure password hashing required.**
- **Role-based admin access required.**
- **72-hour verification status required.**
- **Centralized soft-delete/archive system required.**
- **Default archive retention period: 60 days.**
- **No direct hard delete from the user interface.**
- **Permanent deletion only after the 60-day retention period.**

- **Restore functionality required.**
 - **Activity logs required.**
-

Developer Notes

This module is the gateway to the entire SpeakEdge ecosystem.

One successful activation should connect the learner to:

- **Student Dashboard**
- **Speaking Community**
- **CEFR System**
- **Certificates**
- **Subscriptions**
- **Reports**
- **Future Mobile App**

The platform should follow the principle:

Archive First → Restore if Needed → Permanently Delete Later.

MODULE 9 – COMPLETE ADMIN PANEL SYSTEM

Developer Instructions

The Admin Panel is the central control system of the entire SpeakEdge ecosystem. All modules, users, reports, payments, assessments, and community activities should be manageable from a single dashboard.

Dashboard Overview

Display:

-  Total Students
 -  Active Memberships
 -  Total Activation Codes
 -  Community Members
 -  Total Partners
 -  Total Teachers
 -  Pending Verifications
 -  Total examiners
 -  Sales Overview
 -  Recent Activities
-

Core Management Modules

User Management

- Student Profiles
 - Search & Filters
 - Archive & Restore
-

- **Profile Verification**
- **Password Reset**

Membership Management

- **Membership Status**
- **Subscription Status**
- **Expiry Management**
- **Activation Requests**
- **Membership Reports**

Partner Management

- **Partner Applications**
- **Partner Dashboard Access**
- **Partner Reports**
- **Franchisee Management**

Teacher Management

- **Teacher Applications**
- **Certified Teacher Directory**
- **Batch Management**
- **Attendance Verification**
- **Remuneration & Payments**

Activation Management

- **Activation Codes**
 - **Bulk Code Generation**
 - **Activation Status**
 - **Code Tracking**
 - **Code Reports**
-

Community Management

- **Speaking Community Profiles**
 - **Teams**
 - **Friend Requests**
 - **Complaints**
 - **Warning System**
 - **Community Termination**
-

Payment Management

- **Book Orders**
 - **Membership Payments**
 - **Subscription Payments**
 - **Payment Verification**
 - **Invoices**
 - **Payment Reports**
-

Content Management

- **Website Content**
-

- **Videos**
 - **Notices**
 - **Orientation Materials**
 - **Support Materials**
-

Notification Management

- **Dashboard Notifications**
 - **Announcements**
 - **Promotional Notices**
 - **Email Notifications**
 - **WhatsApp Reminder Data Export**
-

Exam Management

Examiner Dashboard

A separate dashboard should be available for authorised examiners.

Examiners should be able to:

- **View assigned exams**
 - **Search students**
 - **Fill CEFR Test Reports**
 - **Fill Speaking Test Results**
 - **Submit exam reports**
-

CEFR Test Workflow

Exam Conducted

Examiner submits report.

Admin can view:

- **Exam Date**
- **Student ID**
- **Examiner Name**
- **CEFR Level**
- **Remarks**

Within 24 hours, the student receives:

-  **Downloadable CEFR Report Card**
-  **Updated CEFR Status in Community Profile.**

Speaking Test Workflow

Exam Conducted

Examiner submits result.

Admin can view:

- **Exam Date**
- **Student ID**
- **Examiner Name**
- **Grade / Result**

Within 24 hours, the student receives:

- ✓ Auto-generated Certificate
- ✓ Certificate stored in Student Dashboard.

Reports & Analytics

Generate:

- Student Reports
- Membership Reports
- Lead Reports
- Sales Reports
- Payment Reports
- Community Reports
- Teacher Reports
- Partner Reports
- Exam Reports
- Subscription Reports

Data Export System

Download reports in:

- Excel
 - CSV
 - PDF
-

Role & Permission System

The system should support:

- **Super Admin**
- **Admin**
- **Examiner**
- **Teacher**
- **Partner**
- **Student**

Role-based access control is mandatory.

Activity Logs

Maintain logs for:

- **Login Activities**
 - **Profile Changes**
 - **Payments**
 - **Activations**
 - **Reports**
 - **Examinations**
 - **Community Actions**
 - **Archive & Restore Actions**
 - **Admin Activities**
-

Technical Instructions

- **Fully responsive admin panel.**
-

- Mobile-friendly dashboard.
- Role-based permissions.
- Examiner Dashboard.
- Automatic CEFR Report Card generation.
- Automatic Certificate generation.
- Student dashboard integration.
- Search and filter functionality.
- Data export system.
- Archive and restore system.
- Activity logs required.
- Exam reports and certificates should be generated and delivered within 24 hours of examiner submission.

Developer Notes

The Admin Panel should function as the single control centre of the entire SpeakEdge ecosystem.

All major modules should be interconnected through Student ID, Teacher ID, Partner ID, and Activation Code systems.

The examiner dashboard should remain simple and focused only on assessment-related activities.

MODULE 10 – STUDENT DASHBOARD SYSTEM

Features

- **Profile Management**
- **Membership Information**
- **Subscription Information**
- **Orientation Videos**

- **Support Videos**
- **Notifications**
- **Community Access**
- **Exam Information & Booking**
- **Certificates**
- **Report Cards**
- **Download Centre**
- **Payment History**
- **Referral Information**
- **Review Forms**
- **Exclusive Offers**
- **Settings**

Developer Instructions

The Student Dashboard should be simple, mobile-friendly, and act as the learner's central control panel throughout the entire SpeakEdge journey.

All important activities—membership, subscriptions, community, assessments, reports, certificates, and notifications—should be accessible from a single dashboard.

Dashboard Home

Display:

- **Student Name**
- **Student ID**
- **Membership Status**
- **Subscription Status**
- **CEFR Status**
- **Upcoming Classes**
- **Upcoming Exams**
- **Notifications**
- **Quick Access Menu**

Profile Management

Students should be able to:

- **View Profile**
- **Edit Basic Information**
- **Change Password**
- **Update Profile Photo**
- **Update About Me Section**

Membership Information

Display:

- **Student ID**
- **Membership Status**
- **Activation Date**
- **Verification Status**
- **CEFR Status**
- **Membership Benefits**

Subscription Information

Display:

- **Active Plan**
 - **Subscription Start Date**
 - **Subscription Expiry Date**
 - **Remaining Benefits**
 - **Payment Status**
-

Orientation Videos

Display:

- **Orientation Videos**
 - **How to Use SpeakEdge Videos**
 - **Membership Guidance Videos**
-

Support Videos

Display:

- **Instruction Videos**
 - **Support Videos**
-

- **Tutorial Videos**

Notifications

Need help with your course?

Please raise a support ticket on WhatsApp at 8240861168 and mention your Student ID. Our support team will get back to you within 48 hours.

**** Developer Instruction***

Display this notice permanently at the bottom of the Student Dashboard as a fixed support banner.

The WhatsApp number should be clickable on both mobile and desktop.

The banner should remain visible on all dashboard pages but should not obstruct the content.

Display:

- **Membership Notifications**
- **Subscription Notifications**

- **Community Notifications**
 - **Exam Notifications**
 - **Payment Notifications**
 - **Admin Announcements**
-

Community Access

Students should be able to access:

- **Speaking Community**
 - **Conversation Partners**
 - **Speaking Teams**
 - **Community Notifications**
 - **Community Complaints**
-

Exam Information & Booking System

Display:

- **Available Tests**
 - **Remaining Test Eligibility**
-

- **Booked Exams**
 - **Exam History**
 - **Reports & Certificates**
-

Exam Eligibility by Subscription

Tribe / Silver Members

- **1 CEFR Test**
 - **1 Speaking Test**
- Maximum: 2 Tests**
-

Gold Members

- **2 CEFR Tests**
 - **2 Speaking Tests**
- Maximum: 4 Tests**
-

Diamond Members

- **3 CEFR Tests**
-

- **3 Speaking Tests**
Maximum: 6 Tests

Exam Booking Form

Students should select:

- **Exam Type**
 - **CEFR Test**
 - **Speaking Test**
- **Available Date**
- **Available Time Slot**

The system should display only the available slots according to the student's remaining test eligibility.

Exam Booking Workflow

Student submits booking.

Booking information becomes available in:

- **Student Dashboard**
 - **Admin Panel**
 - **Examiner Dashboard**
-

After Successful Booking

Display:

- **Exam Date**
 - **Exam Time**
 - **Examiner Name**
 - **Examiner WhatsApp Number**
 - **Examiner Contact Number**
 - **Booking Status**
-

CEFR Test Workflow

After examiner submission:

Student receives:

- ✓ **Downloadable CEFR Report Card.**
-

 **Updated CEFR Status.**

Speaking Test Workflow

After examiner submission:

Student receives:

 **Auto-generated Certificate.**

Certificates

Display:

- **Speaking Test Certificates**
 - **Future Certificates**
 - **Download Option**
-

Report Cards

Display:

- **CEFR Reports**
-

- **Download Option**
 - **Verification Information**
-

Download Centre

Students should be able to download:

- **Certificates**
 - **Report Cards**
 - **Invoices**
 - **Membership Documents**
 - **Other Future Documents**
-

Payment History

Display:

- **Membership Payments**
 - **Subscription Payments**
 - **Invoice Downloads**
 - **Payment Status**
-

Referral Information

Display:

- **Referral Code**
- **Referral History**
- **Referral Benefits (Future)**

Review Forms

Once attendance of a class is approved by Admin, a review form should automatically appear as a pop-up in the student's dashboard.

Display:

- **Class Date**
- **Class Time**
- **Teacher Name**
- **Teacher ID**

The review request should appear:

- **Once per day**

- **For up to 7 days**
- **Until the student submits the review.**

Students should be able to:

- **Rate Teacher**
 - **Submit Feedback**
 - **Skip Review**
-

Exclusive Offer System

Admin should be able to send targeted offers to selected students.

Examples:

- **Subscription Upgrade**
 - **Special Discount**
 - **Limited-Time Offer**
 - **Festival Offer**
-

Offer Pop-up Behaviour

If an active offer is assigned to a student, the offer pop-up should automatically appear when the student logs in.

The pop-up should appear only once at the beginning of the session.

Student options:

☒ **YES, I am Interested**

☐ **Not Interested Now**

☒ **Close (X)**

If Student Clicks: YES, I am Interested

Redirect directly to the payment page for that specific offer.

After successful payment:

- **Subscription activates automatically.**
 - **Dashboard updates automatically.**
 - **Admin receives payment notification.**
 - **The offer should not appear again.**
-

If Student Clicks: Not Interested Now

- The offer is permanently dismissed for that student.
 - The same offer should never appear again.
-

If Student Clicks: Close (X)

- The pop-up closes for the current session.
 - The offer may appear again during the next login if the offer is still active.
 - If the offer expires, it should not appear again.
-

Offer Expiry Rule

If the offer end date/time has passed:

- The offer should stop appearing automatically.
 - The student should not see the offer again.
 - Expired offers should remain visible only to Admin for reporting.
-

Settings

Students should be able to:

- **Change Password**
 - **Manage Notifications**
 - **Update Basic Information**
 - **Logout**
-

Technical Instructions

- **Fully responsive design.**
- **Mobile-first dashboard.**
- **Role-based access.**
- **Dashboard should remain simple and load quickly.**
- **Student ID should connect all modules.**
- **Automatic eligibility calculation for exams.**
- **Slot-wise exam booking system.**
- **Admin and Examiner dashboard integration.**
- **Automatic report card generation.**
- **Automatic certificate generation.**
- **Review pop-up system.**

- **Session-based offer pop-up system.**
 - **Direct payment page redirection for offers.**
 - **Automatic subscription activation after successful payment.**
 - **Student response tracking for offers.**
 - **Search, filter, export, and activity logs required.**
-

Developer Notes

The Student Dashboard should act as the learner's personal control centre throughout the entire SpeakEdge journey.

Every important activity should be accessible from this dashboard, including:

- **Membership**
- **Community**
- **Exams**
- **Reports**
- **Certificates**
- **Payments**
- **Reviews**

- **Notifications**
- **Exclusive Offers**

The overall experience should remain simple, intuitive, and mobile-friendly.

MODULE 11 – SUBSCRIPTION & RAZORPAY PAYMENT SYSTEM

Features

- **Subscription Purchase**
- **Razorpay Integration**
- **Payment Verification**
- **Invoice Generation**
- **Payment History**
- **Manual Payment Approval**
- **Failed Payment Handling**

- Refund Status Management
- GST Preparation (Future)

Developer Instructions

This module should allow students to purchase teacher-led subscription plans securely through Razorpay and manage payment records inside the Student Dashboard and Admin Panel.

The system should support both automatic online payments and manual payment approval when required.

Subscription Plans

The system should support:

- Tribe Membership
- Tribe Pro Membership
- Silver Membership
- Gold Membership
- Gold Crash Course

- **Diamond Membership**
- **Diamond Crash Course**

Admin should be able to edit plan details, price, duration, total classes, and exam benefits.

Subscription Purchase Flow

Student selects a subscription plan.

System shows plan details and total amount.

Student clicks Pay Now.

Razorpay payment page opens.

Payment completed.

System verifies payment.

Subscription activates automatically.

Invoice is generated.

Payment history updates.

Razorpay Integration

The system should integrate Razorpay for:

- UPI**
- Debit Card**
- Credit Card**
- Net Banking**
- Wallets**

After payment, the system should verify:

- Razorpay Payment ID**
- Razorpay Order ID**

- **Razorpay Signature**
 - **Payment Status**
 - **Amount Paid**
-

Subscription Activation

After successful payment:

- **Subscription status becomes Active.**
 - **Subscription start date is generated.**
 - **Subscription expiry date is calculated automatically.**
 - **Exam eligibility is added according to plan.**
 - **Student Dashboard updates automatically.**
 - **Admin Panel updates automatically.**
-

Payment Status

The system should support:

- **Pending**
 - **Success**
-

- **Failed**
- **Manually Approved**
- **Refunded**
- **Partially Refunded**
- **Cancelled**

Manual Payment Approval

Admin should be able to manually approve payments when payment is received outside Razorpay.

Admin should enter:

- **Student ID**
- **Plan Name**
- **Amount Paid**
- **Payment Mode**
- **Transaction Reference**
- **Payment Date**
- **Remarks**

After approval:

- **Subscription activates manually.**
 - **Invoice/receipt is generated.**
 - **Payment history updates.**
-

Failed Payment Handling

If payment fails:

- **Subscription should not activate.**
 - **Payment status should show Failed.**
 - **Student should see Retry Payment.**
 - **Failed payment record should be saved in payment history.**
 - **Admin should be able to view failed payment attempts.**
-

Invoice Generation

After successful payment or manual approval, generate invoice/receipt with:

- **Invoice Number**
 - **Student Name**
-

- **Student ID**
- **Plan Name**
- **Amount Paid**
- **Payment Mode**
- **Payment Date**
- **Transaction ID**
- **Subscription Start Date**
- **Subscription Expiry Date**

Invoice should be downloadable from Student Dashboard.

Payment History

Student Dashboard should show:

- **Plan Name**
- **Amount**
- **Payment Status**
- **Payment Date**
- **Invoice Download**

- **Transaction ID**

Admin Panel should show full payment records with search and filters.

Refund Status Management

Admin should be able to update refund status:

- **Refund Requested**
- **Refund Under Review**
- **Refund Approved**
- **Refund Rejected**
- **Refunded**
- **Partially Refunded**

Refund records should be visible in Admin Panel.

Student should see refund status in Payment History.

GST Preparation – Future

The system should be prepared for future GST implementation.

Database should be able to store:

- **GST Number**
- **Taxable Amount**
- **CGST**
- **SGST**
- **IGST**
- **Total Tax**
- **GST Invoice Number**

GST should not be mandatory in the first version.

Technical Instructions

- **Razorpay integration required.**
- **Secure payment verification required.**
- **Razorpay webhook support recommended.**
- **Automatic subscription activation after successful payment.**
- **Manual payment approval option required.**
- **Failed payment record required.**
- **Invoice/receipt generation required.**

- Downloadable invoice in Student Dashboard.
 - Admin payment search and filter required.
 - Refund status tracking required.
 - GST-ready database structure required for future use.
 - Activity logs required for all payment actions.
-

Developer Notes

This module should ensure that subscription purchase, payment verification, invoice generation, and subscription activation work smoothly and securely.

The payment system should be connected with:

- Student Dashboard
 - Admin Panel
 - Subscription Status
 - Exam Eligibility
 - Teacher-Led Live Class Access
 - Reports & Analytics
-

Final Workflow

Student Selects Plan

Razorpay Payment

Payment Verification

Subscription Activated

Invoice Generated

Dashboard Updated

Admin Reports Updated

MODULE 12 – ORIENTATION SLOT BOOKING SYSTEM

Features

- **Available Slots**
- **Booking**
- **Rescheduling**
- **Attendance Tracking**
- **Orientation History**
- **Automatic Reminder System**
- **Orientation Completion Status**

- **Orientation Video Access**

Developer Instructions

The Orientation Slot Booking System should allow newly activated members to book one live orientation session and learn how to use SpeakEdge properly. Orientation should be allowed only once. Once the orientation is completed, the student cannot book another live orientation.

Student Side

Orientation Booking

Students should be able to view available orientation slots and book one slot.

Display:

- **Orientation Date**
- **Time**
- **Orientation Teacher / Host**
- **Mode**
- **Seat Availability**

Booking Form

Student selects:

- **Available Date**
- **Available Time Slot**

CTA:

 **Book Orientation**

Booking Confirmation

After booking, show:

- **Booking Date**
- **Booking Time**
- **Orientation Host Name**
- **Status: Booked**

Rescheduling

Students can reschedule only before orientation completion.

After orientation is marked completed, rescheduling should be disabled.

Orientation Completion Rule

Once orientation is completed:

- **Orientation status becomes Completed.**
 - **Student cannot book another live orientation.**
 - **Orientation video access remains available.**
-

Orientation Video Access

Students should be able to access orientation videos anytime from the dashboard.

Videos may include:

- **How to Use SpeakEdge Book**
 - **How to Use AI Practice**
 - **How to Use Speaking Community**
 - **How to Book Exams**
 - **How to Use Subscription Plans**
-

Teacher / Host Side

The orientation teacher or host should be able to:

- **View assigned orientation slots**
- **View booked students**
- **Mark attendance:**
 - **Present**
 - **Absent**
- **Mark orientation as Completed after the session**

Attendance Tracking

Attendance status:

- **Booked**
- **Present**
- **Absent**
- **Completed**

If student is present and orientation is completed:

- **Student orientation status becomes Completed.**
 - **Student cannot book orientation again.**
If student is absent:
 - **Student may be allowed to reschedule.**
-

Admin Side

Admin should be able to:

- **Create orientation slots**
 - **Edit slots**
 - **Delete slots**
 - **Assign orientation teacher / host**
 - **Set seat limit**
 - **View bookings**
 - **Track attendance**
 - **View orientation history**
 - **Manually mark completed if required**
-

Automatic Reminder System

System should send reminders through dashboard notification.

Reminder timings:

- **After booking confirmation**
- **24 hours before orientation**
- **1 hour before orientation**

Future integration:

- **Email reminder**
 - **WhatsApp reminder**
-

Orientation History

Student dashboard should show:

- **Booked Date**
 - **Booked Time**
 - **Orientation Host**
 - **Attendance Status**
 - **Completion Status**
-

Admin should see complete orientation history for every student.

Technical Instructions

- **Fully responsive design.**
 - **Mobile-first booking flow.**
 - **One live orientation per student.**
 - **Rescheduling allowed only before completion.**
 - **Orientation video access always available.**
 - **Slot capacity management required.**
 - **Teacher / host attendance marking required.**
 - **Admin slot management required.**
 - **Completion status should automatically lock future booking.**
 - **Dashboard reminders required.**
 - **Email / WhatsApp reminders should be future-ready.**
 - **Activity logs required.**
-

Developer Notes

The purpose of orientation is to help students understand the complete SpeakEdge process.

Live orientation is a one-time benefit, but orientation videos remain available permanently.

The system should prevent duplicate live orientation bookings after completion.

Final Workflow

Admin Creates Slot

Student Books Orientation

Reminder Sent

Orientation Conducted

Teacher Marks Attendance

Orientation Completed

Future Live Booking Locked

Orientation Videos Remain Available

MODULE 13 – VIDEO PRESERVATION SYSTEM

Features

- **YouTube Embedded Videos**
- **Website Uploaded Videos**
- **Admin Video Management**

- **Video Categories**
 - **Video Access Control**
 - **Watch History**
-

Developer Instructions

This module should allow the platform to manage and deliver videos from two different sources.

The system should support both externally hosted videos and videos uploaded directly to the website.

Video Sources

Type 1 – YouTube Embedded Videos

Admin should be able to:

- **Add YouTube Video Link**
 - **Edit Video**
 - **Delete Video**
 - **Change Visibility**
-

- **Assign Category**

Type 2 – Website Uploaded Videos

Admin should be able to:

- **Upload Video**
- **Edit Video Information**
- **Delete Video**
- **Change Visibility**
- **Assign Category**

Video Categories

Admin should be able to:

- **Create Category**
 - **Edit Category**
 - **Delete Category**
 - **Change Display Order**
-

Video Access Control

Admin should be able to decide whether a video is:

- **Public**
 - **Members Only**
 - **Subscription Specific**
 - **Admin Only**
-

Watch History

The system should store:

- **Student ID**
 - **Video Name**
 - **Date and Time Viewed**
 - **Last Watched Position (Optional)**
 - **Completion Status (Optional)**
-

Admin Video Management

Admin should be able to:

- **Add Video**
- **Edit Video**
- **Delete Video**
- **Archive Video**
- **Restore Video**
- **Search Videos**
- **Filter Videos**
- **Change Display Order**
- **View Watch Statistics**

Technical Instructions

- **Support two video types:**
 - **YouTube Embedded Videos**
 - **Website Uploaded Videos**
- **Store video metadata in the database.**
- **Categorization system required.**
- **Role-based access control required.**

- Watch history tracking required.
 - Search and filter functionality required.
 - Fully responsive video player.
 - Video upload size and storage management should be configurable from Admin Settings.
 - Archive and restore functionality required.
 - Activity logs required.
-

Developer Notes

This module is a centralized video management system for the entire SpeakEdge ecosystem.

The platform should be able to use both external videos and self-hosted videos depending on future business requirements.

MODULE 14 – NOTIFICATION & NOTICE SYSTEM

Features

- **Dashboard Notifications**
- **Announcement Banners**
- **Promotional Notices**
- **Email Notifications**
- **Scheduled Notifications**
- **Read/Unread Status**
- **Notification History**

Developer Instructions

This module should serve as the central communication system of the SpeakEdge ecosystem.

The system should allow Admin to send notifications, notices, reminders, and promotional messages to specific users or groups of users.

Dashboard Notifications

Notifications should appear inside:

- **Student Dashboard**
- **Teacher Dashboard**
- **Partner Dashboard**
- **Examiner Dashboard**
- **Admin Dashboard**

Examples:

- **Membership Approved**
- **Subscription Activated**
- **Exam Booking Confirmed**
- **Payment Processed**
- **New Batch Assigned**
- **Community Notifications**
- **General Announcements**

Announcement Banners

Admin should be able to display announcement banners on:

- **Public Website**

- **Student Dashboard**
- **Teacher Dashboard**
- **Partner Dashboard**
- **Banner information:**
- **Title**
- **Message**
- **Image (Optional)**
- **CTA Button (Optional)**
- **Start Date**
- **End Date**

Promotional Notices

Admin should be able to create promotional notices for:

- **Subscription Offers**
- **Discounts**
- **Events**
- **New Products**

- **Membership Campaigns**

Admin should be able to send notices to:

- **All Users**
 - **Selected Users**
 - **Membership Groups**
 - **Subscription Groups**
 - **Teachers**
 - **Partners**
-

Email Notifications

The system should support email notifications for:

- **Registration Confirmation**
 - **Membership Approval**
 - **Payment Confirmation**
 - **Invoice Delivery**
 - **Exam Booking Confirmation**
 - **Password Reset**
-

- **General Notices**

Scheduled Notifications

Admin should be able to:

- **Schedule notifications**
- **Set date and time**
- **Set expiry date**
- **Cancel scheduled notifications**

Read / Unread Status

Every notification should maintain:

- **Sent Status**
- **Read Status**
- **Unread Status**
- **Date & Time Viewed**

Notification History

Users should be able to view:

- **Recent Notifications**
- **Notification Details**
- **Notification Date & Time**

Admin should be able to:

- **Search Notifications**
- **Filter Notifications**
- **View Delivery Reports**
- **Archive Notifications**
- **Delete Notifications**

Notification Categories

Examples:

- **System Notifications**
- **Payment Notifications**
- **Membership Notifications**
- **Community Notifications**

- **Promotional Notifications**
 - **Exam Notifications**
 - **General Announcements**
-

Admin Functions

Admin should be able to:

- **Create Notification**
 - **Edit Notification**
 - **Schedule Notification**
 - **Send Immediately**
 - **Archive Notification**
 - **Delete Notification**
 - **Search Notifications**
 - **View Notification Statistics**
-

Technical Instructions

- **Fully responsive design.**
-

- **Dashboard notification system required.**
- **Announcement banner system required.**
- **Promotional notice system required.**
- **Email notification support required.**
- **Scheduled notification system required.**
- **Read/Unread tracking required.**
- **Notification history required.**
- **Search and filter functionality required.**
- **Archive and restore functionality required.**
- **Activity logs required.**

Developer Notes

This module should become the official communication channel between SpeakEdge and its users.

The system should support future integrations such as WhatsApp notifications and mobile push notifications without requiring major restructuring.

MODULE 15 – ANALYTICS & REPORTS SYSTEM

Features

- **Sales Reports**
- **Lead Reports**
- **Membership Reports**

- **Payment Reports**
 - **Community Reports**
 - **Teacher Reports**
 - **Partner Reports**
 - **Demo Conversion Reports**
 - **Download Reports: Excel, CSV, PDF**
-

Developer Instructions

This module should provide Admin with clear, filterable, and downloadable reports for all major SpeakEdge operations.

Reports should help the team track performance, revenue, admissions, subscriptions, community growth, teacher activities, and partner performance.

Dashboard Overview

Display key analytics:

- **Total Sales**
 - **Total Leads**
-

- **Total Members**
 - **Total Active Subscriptions**
 - **Total Payments**
 - **Total Teachers**
 - **Total Partners**
 - **Total Community Members**
 - **Demo Conversion Rate**
-

Report Types

Sales Reports

- **Book Sales**
 - **Subscription Sales**
 - **Membership Revenue**
 - **Product-wise Sales**
 - **Date-wise Sales**
-

Lead Reports

- **Free Demo Leads**
 - **Lead Source**
 - **Lead Status**
 - **Follow-up Status**
 - **Converted Leads**
 - **Lost Leads**
-

Membership Reports

- **New Members**
 - **Active Members**
 - **Pending Verification**
 - **Rejected Members**
 - **Archived Members**
-

Payment Reports

- **Successful Payments**
 - **Failed Payments**
-

- **Manual Payments**
 - **Refund Status**
 - **Invoice Records**
-

Community Reports

- **Total Community Profiles**
 - **Verified Profiles**
 - **Self-Declared Profiles**
 - **Friend Requests**
 - **Speaking Teams**
 - **Complaints / Warnings**
-

Teacher Reports

- **Teacher List**
 - **Assigned Batches**
 - **Attendance Submitted**
 - **Approved Classes**
-

- **Pending Attendance**
 - **Remuneration Reports**
 - **Student Reviews**
-

Partner Reports

- **Partner List**
 - **Partner Leads**
 - **Partner Sales**
 - **Partner Admissions**
 - **Product-wise Partner Performance**
 - **Pending Approval Reports**
-

Demo Conversion Reports

- **Demo Registrations**
 - **Demo Completed**
 - **Admission Taken**
 - **Not Converted**
-

- **Conversion Percentage**
 - **Source-wise Conversion**
-

Filters

Reports should support filtering by:

- **Date Range**
 - **Status**
 - **Student ID**
 - **Teacher ID**
 - **Partner ID**
 - **Product / Plan**
 - **Lead Source**
 - **Payment Status**
 - **Location**
-

Download Options

Admin should be able to download reports in:

- **Excel**
 - **CSV**
 - **PDF**
-

Visual Analytics

Display:

- **Charts**
 - **Graphs**
 - **Counters**
 - **Conversion Funnel**
 - **Monthly Trends**
-

Technical Instructions

- **Fully responsive admin reporting dashboard.**
 - **Role-based access required.**
 - **Search and filter functionality required.**
 - **Excel, CSV, and PDF export required.**
-

- **Date-range filtering required.**
 - **Report access should depend on admin role.**
 - **Large data export should be optimized.**
 - **Activity logs required for report downloads.**
 - **Reports should be connected with all major modules.**
-

Developer Notes

This module should help Admin make business decisions based on real data.

The reports should be simple, clear, and exportable.

The main purpose is to track:

- **Growth**
- **Sales**
- **Payments**
- **Conversions**
- **Teacher Performance**
- **Partner Performance**
- **Community Activity**

This module should become the management intelligence centre of the SpeakEdge platform.

MODULE 16 – PWA & MOBILE APP PREPARATION

Features

- **Installable PWA**
- **Add to Home Screen**
- **Persistent Login**
- **Splash Screen**
- **Android Install Prompt**

- **iPhone Installation Guide**
 - **App-Like Experience**
 - **External Links Open in Browser**
 - **API Architecture Ready for Flutter App**
-

Developer Instructions

The SpeakEdge website should function like a mobile application through Progressive Web App (PWA) technology.

The architecture should also be designed so that the future Flutter mobile app can use the same backend APIs without major restructuring.

Progressive Web App (PWA)

The website should be installable on:

- **Android**
 - **iPhone**
 - **Tablet**
 - **Desktop**
-

Add to Home Screen

Users should be able to install SpeakEdge directly from the browser.

After installation:

- **SpeakEdge should appear like a normal mobile app.**
- **App icon should appear on the device home screen.**

Persistent Login

Once the user logs in:

- **Login should remain active.**
- **User should not need to log in repeatedly.**
- **Secure session handling is required.**

Splash Screen

Display:

- **SpeakEdge Logo**
- **Brand Name**

- **Loading Animation (Optional)**

Android Install Prompt

On supported browsers:

Display:

Users can install directly.

iPhone Installation Guide

Since iPhone does not support automatic install prompts, display instructions:

- 1. Tap Share.**
- 2. Select Add to Home Screen.**
- 3. Tap Add.**

App-Like Experience

The installed PWA should:

- **Open in full-screen mode.**

- **Hide browser UI as much as possible.**
 - **Feel like a native application.**
 - **Support responsive design.**
-

External Links

The installed PWA should contain only:

- **SpeakEdge Website**
- **Membership System**
- **Student Dashboard**
- **Notifications**
- **Community Features**
- **Subscription Features**
- **Results & Certificates**

The following should open in the device browser:

- **Sujyoti EdTech Corporate Website**
- **Sujyoti Publications**
- **Eduvion**

- **Any external website**
-

Offline Behaviour

If the user has no internet connection:

Display:

You are currently offline.

Please reconnect to continue using SpeakEdge.

Basic assets such as:

- **Logo**
 - **Splash Screen**
 - **Offline Page**
- may be cached.**
-

API Architecture for Flutter App

The backend should be prepared for future Flutter mobile app development.

All modules should expose secure APIs, including:

- **Authentication**
-

- **Membership**
 - **Student Dashboard**
 - **Community**
 - **Payments**
 - **Notifications**
 - **Exams**
 - **Certificates**
 - **Reports**
-

Authentication Requirements

The same login system should work for:

- **Website**
 - **PWA**
 - **Future Flutter Mobile App**
-

Technical Instructions

- **Implement Progressive Web App (PWA).**
-

- **Manifest file required.**
- **Service worker required.**
- **Add to Home Screen support required.**
- **Persistent login required.**
- **Splash screen required.**
- **Android install prompt required.**
- **iPhone installation guide required.**
- **Responsive app-like experience required.**
- **External links should open in browser.**
- **Backend APIs should be REST API ready for Flutter integration.**
- **Authentication APIs should be reusable for future mobile apps.**
- **No major backend restructuring should be required when the Flutter app is developed.**

Developer Notes

The PWA is the first step toward the future SpeakEdge mobile application.

The objective is to provide an app-like experience immediately while keeping the entire architecture ready for Android and iOS apps in the future.

The backend should be designed using an API-first approach so that the future Flutter app can directly consume the existing APIs.
